Intellectual Disability and Autism Service System
Intake and Eligibility Determination

Service Access and Management Inc. through their AE Support Services Team is available to complete your intake and eligibility determination for Intellectual Disability and/or Autism Services. The following are methods of connecting with them to make your intake referral.

To access the SAM AE Support Intake Portal:

Click this link

https://aesupport.sam-inc.org/referral-form

OR
Scan this QR Code

Both methods will take you to a web page where you will select the county where the person resides. Continue through and provide the mandatory information (Individual's Name, Contact information…). Additional information can be entered if you choose, and you can even upload supporting documentation, if available (*but absolutely not required*).

Once submitted, the local eligibility team will be notified of the referral, and an AE Support Manager will be in contact.

If you would like to make a referral by phone or need assistance, please contact:

Erin Hoover, AE Support Manager at (570) 573-6632
