

Dear Oceanside School Community,

Like the ocean that gives our community its name, we are at our strongest when we move together with purpose and unity. Our theme for the year—“**Oceanside Schools... Better Together**”—reflects our shared commitment to our students, to one another, and to the values that define our school community.

“**Better Together**” means teachers collaborating across grade levels and campuses, exchanging ideas that ignite learning. It’s students discovering that their shared voices and diverse perspectives create something greater than any one of them could achieve alone. It’s families, community partners, and staff building a network of care and support that extends far beyond our classrooms.

Our schools are united by a single mission: to equip every child with the skills, confidence, and curiosity to thrive—not only in the next grade, but in life. We are anchored in shared values: **respect, excellence, innovation, and compassion**. And we believe deeply that when we come together, there is no limit to what our students can accomplish.

To our returning families: welcome back to familiar shores, ready to explore new horizons. To those joining us for the first time: welcome to Oceanside. You’ll find yourself part of a caring, connected, and vibrant school community that greets every new tide with readiness and optimism.

As a new school year begins, let’s ride the wave with confidence, purpose, and a spirit of unity. Whatever lies ahead, we will navigate it—as we always have—**better together**.

Here’s to smooth sailing, steady winds, and the remarkable journey ahead.

Welcome back—and welcome aboard.

Sincerely,

Dr. Phyllis S. Harrington
Superintendent of Schools

BOARD OF EDUCATION

The BOARD OF EDUCATION is a policy-making body which governs the school district in all educational matters. It has complete and final control over local school matters subject only to pertinent state law, regulations and decisions of the State Commissioner of Education, decisions of the courts, and the will of local residents as expressed in district elections.

The Oceanside Board is comprised of seven district residents who are elected at the annual school election, which is the third Tuesday in May. Two or three members are elected each year to serve three year terms which begin on July 1. Board members receive no salary or financial compensation of any kind for their services. They pay school taxes at the regular rate.

A candidate for the Board must be a qualified voter of the District and must file a nominating petition with the District Clerk not later than 30 days preceding the school election. Each petition must be signed by at least 57 qualified voters of the district OR two percent of the voters who voted in the previous election, whichever is greater.

The BOARD appoints the SUPERINTENDENT OF SCHOOLS to serve as its executive officer in administering its policies in the operation of the schools. The Superintendent is responsible for informing and advising the Board on all matters. The Superintendent's recommendations normally precede Board action on matters relating to recruitment and supervision of staff, selection of textbooks and instructional materials, development of curriculum and the operation and maintenance of buildings and grounds.

DELAYED OPENING PLAN FOR OCEANSIDE SCHOOLS

The Oceanside Board of Education has approved a two-hour “delayed opening” plan in case of inclement weather. A delayed opening might occur when forecasts indicate a storm is about to end, or when streets have not yet been satisfactorily cleared, but roads should be safe for travel within a few hours. This allows the district to provide our students with instruction rather than close schools for the entire day. The Delayed Opening Schedule provides bus pick-up times and exact times for reopening each school.

DELAYED OPENING SCHEDULE

	First Bus Pickup Starts at	School Starts
School #6	10:55am	*
Schools #2, #3, #4, #5, #8, #9E	9:35am	10:15am
Middle School	9:00am	9:40am
High School	8:55am	9:50am
Oceanside HS Castleton	two hours after regular pick-up	9:50am

All bus routes will run two hours later than regular pick-up time. E.g. If your child’s bus usually arrives at 7:10am, a delayed opening schedule would have it arrive at 9:10am.

*Valet drop-off would begin at 11:17am.

Breakfast and Morning C.A.R.E.S. programs would be cancelled.

Arrival doors for K & UPK would open at 11:17am.

EMERGENCY SCHOOL CLOSING

When weather or emergency requires closing the Oceanside Public Schools, the district will notify parents via our automated contact system, on our website at oceansideschools.org and/or via announcements on Fox 5 TV (WNYW), WABC-TV, WINS radio (1010 AM), and News 12 Long Island (Cablevision’s Channel 12).

When schools are closed for inclement weather, the bus company will not transport students to private, parochial and other special schools.

ACADEMIC INTERVENTION SERVICES (AIS)

Students who have been deemed as in need of additional assistance within the course of the school day in order to achieve academic standards will be identified as per the district's AIS Plan. This Plan may be found on the Oceanside School District's website.

ATTENDANCE

Students are required to be in attendance at all times that school is in session. Accurate records of student attendance are kept at all times. Student attendance records shall be confidential and may not be released except under the following conditions:

- a) By written consent of either or both parents, or the person exercising parental authority over the student involved;
- b) Pursuant to a subpoena or court order duly served upon the District. Details provided to students and parents annually and can be found in Board policy #3104, which is on the district website.

BOARD MEETINGS

BOARD MEETINGS – Both regular and special meetings are scheduled in most months on selected Wednesdays, 7:30 pm, at School #6 Auditorium or in the Administration Building, 145 Merle Avenue. The dates are listed in the Calendar and announced in the District Newsletter, posted on the district website, and in the schools. Call the Board Secretary, 516-678-1215, to verify a meeting. The law also provides for closed executive sessions, but no action may be taken at such meetings. Board agenda and minutes can be found on our website.

ANNUAL RE-ORGANIZATION MEETING – is held within the first two weeks of July, 7:30 pm, School #6 Auditorium (unless changed by Board resolution). Board officers are elected, salaries of appointed officers fixed, and business policy matters are set for the forthcoming year.

QUORUM – consists of four members. An affirmative vote of four members is required for action to be taken. Abstention is considered a negative vote. The presiding officer may introduce or second a motion and may vote on all issues. All official actions must be taken by resolution of the Board at an open regular or special meeting.

Although all meetings, except executive sessions, are open to the public, the law makes no provision for the public to make motions. However, the Board of Education encourages questions and comments from those present at the appropriate time during the meeting.

BUDGET

The Oceanside School District is supported by State Aid, Federal Aid, income from investments, fees, etc., and a direct tax on real estate. The school budget is discussed at public hearings and submitted to the voters at the annual election. (Taxes are levied on the net budget, the difference between the gross budget and revenues received from the above-named sources, except for real estate taxes.) The district's budget is needed for the purchasing of district supplies, materials, the payment of staff salaries and the maintenance of our buildings. Anyone interested in details regarding the budget may call Public Information at 516-678-7525 to obtain copies of the annual Budget Brochure.

CODE OF CONDUCT

In accordance with New York State legislation, our Board of Education has established a Code of Conduct for the school district. This Code of Conduct is provided to parents via an annual electronic update in their child's portal account. It can also be found under Board policy #3108 on the district website.

The Code of Conduct underscores the commitment of the Board of Education to provide a safe and orderly environment in which all children can learn and reach their potential. In order to accomplish this goal, all members of the school community, teachers, students, parents, school district personnel as well as visitors to our buildings, must behave in a civil, respectful and responsible manner.

The Code of Conduct clearly defines expectations of acceptable conduct on school property for students and all members of the school community. Students' rights and responsibilities are outlined. Board of Education and district policies, as well as building procedures, are also explained.

The requirements of the district's discipline code and the possible behavioral consequences of unacceptable conduct ensure fair treatment for all when disciplinary action is required. A provision of the original legislation permitting teachers to remove disruptive students from class is also clearly explained.

This Code of Conduct is presented to and shared with all of the district's faculty and staff. Students should review it with their teachers or guidance counselors. It is extremely important, however, that parents also read and review it with their children. By working together, all of us, with a shared understanding of what is expected of each of us, can create an environment which reflects good citizenship, mutual respect, tolerance and the principles of civility for all of Oceanside's students.

COMMUNITY SUPPORT GROUPS

Oceanside High School Marching Band Parents Association

The Marching Band Parents Association supports the OHS Marching Band through fund raising activities and attendance at the band's performances. Marching Band parents have also been instrumental in raising scholarships.

Oceanside High School Thespian Parents Association

The Thespian Parents Association supports Thespian Troupe 132 with fundraisers, acquiring essential equipment and props, attending performances and events, and providing snacks during long rehearsals and events. We also have established the Thespian Scholarship, which is open to all members in their senior year.

Department of Community Activities Advisory Committee

This Board-appointed committee advises the Community Activities director and the Board of Education as to the needs and interests of the community.

CURRICULUM

To provide a greater assurance that all students will receive a common set of organized concepts, Oceanside educators have developed specific curriculum objectives, instructional support materials, and evaluation strategies designed to fit the needs of students in Oceanside. Designed to support instructional effectiveness and student learning, the curriculum is revised on a periodic basis with careful consideration given to teacher feedback, school district data, parental input, and the New York State curriculum guidelines and new learning standards.

DIGNITY FOR ALL STUDENTS ACT (DASA)

In accordance with the NYS Dignity for All Students Act (DASA), the Board of Education has designated each of our school building principals to serve as the Dignity Act Coordinator for their school. All reports of bullying behaviors should be directed to the building principal. The Board of Education has also designated Diane Provvido as the districtwide Dignity Act Coordinator to address any issues that are unable to be resolved at the building level.

DISCIPLINE

Discipline is vital to maintaining an environment in which learning may flourish. The goal of the district's discipline program is to teach students to behave properly without direct supervision. Discipline must be used to educate or to establish useful habits as a step toward developing self-discipline. Corporal punishment is prohibited. Members of the staff may use reasonable physical force to restrain an individual from harming himself or others, or to remove an individual from a situation in which their continued presence might lead to harm to themselves or to others. The District's Code of Conduct further describes students' rights and responsibilities, as well as interventions and range of consequences for behavioral infractions in the school district.

LEGAL NOTIFICATIONS (AHERA & SECTION 409-H)

Asbestos Management Plan - In accordance with 40 CFR §763.84.c, this statement serves as the district's annual notification to all workers, students and or their legal guardians that the district continues to maintain its Asbestos Management Plan (AMP) which documents all performed or planned asbestos related inspections, response actions, and post-response action activities, including periodic re-inspection and surveillance activities within the school district. A copy of this AMP is available for your review and or inspection at the district's facilities office and within the main office of each school building.

Pesticide Application Notification - New York State Education Law Section 409-H requires all public and non-public elementary and secondary schools to provide written notification to all persons in parental relation, faculty, and staff regarding the potential use of pesticides periodically throughout the school year. The Oceanside School District is required to maintain a list of those who wish to receive 48 hour prior written notification of certain pesticide applications.

Contact the district's facilities office at 516-594-2333 for more information and/or to add your name to the notification list.

LUNCH PROGRAM

District lunch menus offer great variety and meet nutritional guidelines for children established by the Federal Government. There are more than 11 options for students to choose each day.

Parents of children with food allergies may request access to nutrition labels, which are stored digitally, to identify items that their children need to avoid. Call our Director of Cafeteria Operations at 516-678-7548 for questions and concerns related to food allergies.

Lunch is free for all New York State students. A small fee is charged for a la carte items. Prices are posted on the food services page of the website.

PARENT RIGHT TO KNOW-PROFESSIONAL QUALIFICATION

As parent/guardian of the Oceanside School District, federal law allows you to request the following information for teachers that instruct your child:

- Whether the teacher is licensed or qualified by the New York State Education Department to teach the assigned grade and subject.
- Whether the teacher is teaching under special circumstances without full state certification.
- The teacher's college major and any advanced degrees, including the subject of those degrees.
- Whether your child receives support from teacher aides or paraprofessionals, and if so, their qualifications.

The information must be provided in a timely manner upon request. If you would like to request such information, please contact Human Resources at 516-678-1213.

Please note: The School District does not hire uncertified teachers or paraprofessionals.

PARENT-TEACHER ORGANIZATIONS

Our Parent-Teacher Associations enjoy an excellent relationship with the school district. PTAs implement many programs and events that enrich students' education. They are dedicated to each student's development and are tireless in their efforts and interest in school district policy and proceedings. PTAs contribute greatly to the excellent education that has long been a hallmark of our community.

Lists of PTA executive board and committee members for each school are located in the back pages of this calendar.

PTA/District Committees

Arts in Education

This organization co-funds artists in various fields who provide cultural enrichment and entertainment through creative and well-rounded performances in the schools.

Oceanside School District (OSD) Parent University

This committee is comprised of parents and educators who develop seminars, workshops and speakers to provide education on relevant and current topics related to effective parenting for students at all grade levels. Information on events is sent home via ParentSquare.

OSD Be Well

This council acts in a regional advisory capacity on health and wellness, drug prevention and education. The council is comprised of members appointed by each PTA, including students, staff, parents and members of the community. Their purpose is to encourage the coordination of health, wellness and drug and alcohol abuse education materials and prevention programs within the district.

Team for Educational Articulation (TEA)

Representatives from the district's shared decision-making teams meet annually to share their successes and accomplishments.

PLANT

The Oceanside Union Free School District, in the Town of Hempstead, occupies 17.3 square miles and includes, in addition to the unincorporated area of Oceanside, parts of Baldwin and Rockville Centre. There are six elementary schools (Grades 1 - 6), one Middle School (7 - 8), one High School (9 - 12), one alternative high school and one Administration Building. School #6 houses the Kindergarten Center, the Pre-K Program, Castleton Academy, the Buildings & Grounds Department, the Department of Community Activities and other activities. School district property is approximately 105 acres, valued with contents in excess of \$50,000,000.

Use of Buildings

Present policy permits full use of buildings and grounds by community organizations within the State Education Law and local by-laws. Applications may be obtained from the Department of Community Activities, 125 Merle Avenue. Proof of liability insurance is required to use district facilities.

PUBLICATIONS

The district mails a newsletter three to four times each year, the Proposed Budget Brochure in late April/early May and a District Calendar in August. A Board of Education Policy Book and Official Minutes may be viewed on the district website. If you are not receiving publications, call: 678-7525. If you would like to learn about education law, you will find McKinney's Education law at the library.

PUPIL PERSONNEL SERVICES

Oceanside Pupil Personnel Services are intended to help all students grow and develop emotionally as well as academically. Services are aimed at helping students make mature educational, vocational and social decisions, maintain physical and emotional well-being, and deal with individual problems.

SCHOOL COUNSELING SERVICES

Guidance Counselors provide students an opportunity to discuss and explore their abilities, needs, difficulties, and aspirations. They are concerned with each student's social and academic growth and adjustment in school and beyond. Counselors provide help to students in making school transitions, understanding career choices, selecting courses of study, exploring special programs, applying to colleges, and seeking additional supportive services when appropriate.

PSYCHOLOGICAL SERVICES

School psychology focuses on the intellectual and emotional factors that influence a student's learning process. One basic responsibility of a school psychologist is to help determine the reasons for a student's difficulties in school. Psychologists provide assistance to pupils, parents, teachers, and administrators in efforts to address children's learning and adjustment needs. Referrals to a school psychologist may be made by school personnel or parents through their principal or by directly contacting the school psychologist. Written parental consent is required for psychological counseling services.

SOCIAL WORK SERVICES

School Social Workers assist students, families, and staff by offering consultations, visiting homes, providing group and individual counseling, making referrals to outside agencies when appropriate, and utilizing community resources.

THE HEALTH AND WELLNESS TEAM

The Oceanside School District is pleased to offer a comprehensive Elementary Health and Wellness Education Program designed to help students develop healthy and productive behaviors. In grades K-3, a Social Worker teaches students about personal safety and emotional well-being. Physical education teachers instruct 4th grade students about personal hygiene and healthy habits. In grades 4-6, our Health and Wellness Facilitators, who are certified School Counselors, provide students with lessons on mindfulness, social-emotional literacy, and habits of the mind. They also provide 5th grade students instruction on puberty and physical development and 6th grade students about the dangers of substance abuse. Certified Health Teachers provide health education to students at the secondary level.

REGISTRATION & ELECTIONS

ANNUAL SCHOOL ELECTION – is held on the third Tuesday in May in accordance with State Law. Qualified registered persons may vote on: School Budget, Public Library Budget, Board Member Candidates and any special propositions.

PROPOSITIONS – Any proposition or question to be placed on the voting machines must be submitted in writing on a petition signed by at least 5% of the voters who voted in the previous election and filed in the office of the District Clerk by the 30th day preceding the school election, except for propositions or questions which are required to be included in the published Notice of the Meeting, which must be filed with the District Clerk by March 1.

SPECIAL ELECTIONS – The Board may call special elections in accordance with the law.

Voting – Residents are registered and eligible to vote if they:

1. Voted at or registered for a School District Election subsequent to January 1, 2021 or in the four years preceding the election date, or
2. Are validly registered to vote with the County Board of Elections for the General Election.

Registration – To register to vote in the School Election a person must be:

1. A citizen of the United States.
2. 18 years of age or over.
3. A resident of the school district for at least 30 days at the time of election.

Registration of voters shall take place by appointment at the office of the District Clerk when school is in session. Voters must register at least 5 calendar days prior to any school district election.

ABSENTEE BALLOTS – May be used for voting in the school election. An application for an absentee ballot must be received by the District Clerk at least seven days before the election if the ballot is to be mailed, and no later than the day before the election if the ballot is to be delivered personally. The completed ballot must be received by the District Clerk no later than 5:00 pm on the date of the election.

VOTING LOCATION – Voting for the school district budget and Board of Education elections takes place at the School #6 Merle Ave. Gym at 145 Merle Avenue.

SCREENINGS

In compliance with State Regulations, all new school entrants are screened in order to identify children who may possibly have an educational disability, or who may possibly be gifted. The process identifies pupils who may need to be referred to appropriate school and/or medical personnel for further diagnostic evaluation. Kindergarten entrants who did not attend our UPK program are screened in the spring before they enter school for the first time.

SPECIAL EDUCATION AND OTHER SPECIAL PROGRAMS

SPECIAL EDUCATION

In accordance with the Regulations of the Commissioner of Education, special education services are provided to a student who is identified as having an educational disability. The Committee on Special Education (CSE) is responsible for the referral, evaluation and placement of school age students with educational disabilities. The Committee on Preschool Special Education (CPSE) has similar responsibilities for preschool youngsters, ages 3-5.

The Oceanside School District provides a full continuum of special education and related services for school age students. Special education services may include resource room, consultant teacher, special class placements and integrated settings. Related services may include speech/language therapy, counseling, services for the deaf and hearing impaired, physical therapy and occupational therapy.

Parents/Guardians who suspect that their child may have an educational disability and require special education services may initiate a referral by submitting a signed request for a special education evaluation to the building principal or the Executive Director of Special Education, 145 Merle Avenue, Oceanside, NY 11572. For questions, you may call 678-1218 or 678-1219.

SPEECH AND LANGUAGE SERVICES

Speech and Language Services are provided by speech and language teachers to those children whose speech and language development is significantly delayed. In addition to mandated services for students determined to have a speech or language disability, children, according to priority needs and staffing availability, may be seen by the speech and language teacher for support and/or remediation in the following areas: listening skills, auditory processing skills, language development, expression of ideas, fluency, voice and articulation.

SECTION 504

Section 504 of the Rehabilitation Act provides for reasonable accommodations for students who have a mental or physical impairment which substantially limits one or more major life activities. Each school has a Section 504 Team, which is responsible for determining a student's initial eligibility for accommodations and for periodically reviewing the student's functioning to determine ongoing needs. Parents/Guardians who suspect their child may have a disability that requires Section 504 accommodations should submit a signed referral to the building principal. Questions about Section 504 and appeals of Section 504 decisions should be directed to the Executive Director of Special Education, 145 Merle Avenue, Oceanside, NY 11572. For questions, you may call 678-1218 or 678-1219.

ENRICHMENT/GIFTED EDUCATION

Project Extra, the district's elementary Enrichment/Gifted Education program for identified students in grades 4-6, provides engaging learning experiences to challenge students' intellectual and creative abilities. The middle school Enrichment Program provides recommended students with an opportunity to study a specific subject in depth through research and exploration.

SPECIAL EDUCATION/PROGRAMS (continued)

HOMEBOUND INSTRUCTION

Homebound instruction is provided to students who are temporarily unable to attend school because of injury or illness. A physician's note is required. Applications should be made to the school nurse for grades K - 6 and the guidance counselor for grades 7 - 12.

ENL

In accordance with state regulations the district provides an English as a New Language Program to eligible students.

STAFFING

The district staff includes nearly 1,200 full-time and part-time employees which includes teachers, administrators, specialists, instructional and administrative assistants, nurses, occupational therapists, secretarial and clerical employees, teacher aides, monitors/security personnel, cafeteria workers, custodial and maintenance employees.

Oceanside is committed to the ongoing training of its professional staff. The Staff Development Policy Board, comprised of teachers and administrators, operates a Teacher Center, offers workshops, in-service courses and provides teachers with the opportunity to attend conferences or visit other school districts. Teachers are eligible to receive internally funded grants of money to conduct special projects or to write needed curriculum. Staff development remains a priority in Oceanside, as a valuable component towards excellence in education.

STUDENT RECORDS

The Oceanside Public Schools shall collect and maintain student records to provide for the growth and development of individual students, to provide information to parents and authorized staff, and to provide a basis for the evaluation and improvement of school programs. The district shall preserve the rights to privacy of students and parents. A Parent's Bill of Rights for data privacy and security has been established by the Board of Education and is available for review on our district website in the Board Policy Book.

TEACHER AND PRINCIPAL EVALUATIONS (APPR)

As per New York State law, parents wishing to learn the overall rating of their child's teacher and/or principal may request that information through the office of the Assistant Superintendent for Curriculum, Instruction and Technology.

TITLE IX, SECTION 504 & SEXUAL HARASSMENT COMPLAINTS

The Board of Education, its officers and employees, will not discriminate in its programs and activities on the basis of legally protected classes, such as, but not limited to: race (including traits historically associated with race such as hair texture and protective hair styles like braids, locks, and twists), color, national origin, creed, religion (including religious practices), marital status, sex (including pregnancy, childbirth, or related medical condition), gender identity and expression (i.e., actual or perceived gender-related identity, appearance, behavior, expression, or other gender-related characteristic regardless of the sex assigned to that person at birth, including but not limited to the status of being transgender), age, sexual orientation, disability (physical or mental), predisposing genetic characteristic, military work or status, domestic violence victim status, or use of a guide dog, hearing dog, or service dog, as applicable.

The district will provide notice of this policy in accordance with federal and state law and regulation. For administrative procedures relating to grievances under Title IX, call Diane Provvido at 678-1221; for Section 504, call Tracy Murray at 678-1218, Sexual Harassment, call Dr. Jill DeRosa at 678-1213.

TRANSPORTATION

The following eligibility limits apply to every student living in the Oceanside School District. They have been established by the Board and approved by the voters.

Students in Grades

K - 6
7 - 9

Distance from Home to School

.8 miles to 15 miles
1.2 miles to 15 miles

Transportation to Oceanside High School is provided for grade 9 students only. It is not provided for students in grades 10, 11, 12. However, State Law mandates transportation for students in grades 9-12 attending schools between 3 and 15 miles from their homes. For information, call the Transportation Office, 678-1211.

Oceanside SEPTA (the Special Education Parent Teacher Association) is an organization whose members include: parents, caregivers, teachers, and therapists of exceptional children as well as other staff and members of the Oceanside School community. We sponsor workshops, speakers and events about a variety of issues and concerns of exceptional students and their families and their inclusion in our community. We keep abreast of recent educational legislation that affects our students. Anyone connected to the Oceanside school district is encouraged to join.

Our mission is to provide a resource for information applicable to a wide variety of exceptional children through presentations, workshops and the Internet; to improve communication between parents, school staff and administration; to be involved in decisions affecting exceptional children in the school community; and to educate and sensitize the Oceanside School community to children who are differently-abled.

Oceanside SEPTA has a resource library, of books, DVD's and videos about many subjects ranging from Special Education to therapy and Gifted Education, located in the district office. Anyone connected to the Oceanside school district is encouraged to join. Visit our website at www.septaoceanside.com to access information and connect with other parents and teachers through our bulletin board.
