Work in the math section on the https://login.i-ready.com/ website.	Work in the reading section on the https://login.i-ready.com/ website.	Go to the website https://jr.brainpop.com/ and listen to the Movie of the Week.	Technology/STEAM: Make a paper airplane. See how far it flies, then make adjustments to see if you can make it fly even farther.
Make a tally chart or a graph to show how many windows you have in each room of your home.	Listen to a story online, from a friend, or some other creative way! Did you like the story? Why or why not? Write your opinion.	Draw a map of some place that is special to you. Be sure to include a key so that others can understand your symbols.	Art: Draw a picture of your family.
Measure five different objects in your house using the same non-standard unit (such as Cheerios, toilet paper sheets, or your shoes).	Read a book to a stuffed animal. Write down any words that you didn't know how to read right away, then show or tell how you figured out how to read those words.	Create a new animal. Tell the animal's name, what it eats, where it lives, and what it has or does so that it can survive in its environment.	Music: Sing to your stuffed animals.
Play "Ten Frame Mania" at https://tangmath.com/tenframemanig .	Go to the website https://www.youtube.com/c/storytimeatawnieshouse and listen to one story. Draw or write the names of the characters that were in the story.	Choose an activity to do or video to listen to related to science or social studies on the website https://pbskids.org/ .	Gym: Dance or move to your favorite song.
