## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

### Mission Statement:

Empowering every student to reach their full potential, regardless of background or circumstance, through an inclusive and innovative education.

### Vision Statement:

At Peter J. Shields Elementary School, we envision a future where every student emerges as a confident, compassionate, and capable leader equipped with the knowledge, skills, and mindset to thrive in an ever-changing world.

### School & Community Profile:

Peter J. Shields is located in a neighborhood of long-time residents and younger families moving into affordable homes. The school has been in existence since 1962 and has been the proud school of several generations of families. Our population draws from both apartment complexes and single-family homes. Our ethnic makeup enjoys diversity with a variety of languages, including Spanish, Armenian, Russian, and Ukrainian, in addition to English. Because of our diversity, Peter J. Shields Elementary qualifies for two bilingual instructional aides who assist us with language and content acquisition for our English Learner students. We are a school that qualifies for Title I funding based on the level of poverty that exists in our student population. Title I funds afford us the ability to hire a reading specialist, provide supplementary classroom materials, purchase release time for teachers for planning and collaboration, and attend professional development opportunities. Our school offers students two after-school childcare/enrichment options: the After School Education and Safety (ASES) program, which is a free, grant-based after-school care, and the Student Care program, which is parent-paid. Both programs offer time for homework and snacks. In coordination with both programs, we are able to offer math and reading intervention classes while students are still on campus in addition to extended days to support instruction. Normally, our school enjoys great parent participation at our event nights, such as our Harvest Festival, movie nights, Open House, Family Welcome/Meet the Teacher, and Back to School Night. Our Parent Teacher Association (PTA) has a small but creative and active group of parents who add to the richness of the PJS experience.

As soon as you walk onto the Peter J. Shields campus, you can feel the inclusiveness of the staff and parent community. Students greet all teachers warmly, and all of the staff add to the welcoming atmosphere and positive culture of Peter J.

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Folsom Cordova Unified will have a Public Hearing on August 14, 2025, and determine that each school within the district has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

## School Facility Conditions and Planned Improvements

Peter J. Shields has 20 classrooms, a multipurpose room, a library, and an admin building. The school was built in 1961/1962, and the multipurpose room was installed in 1991. Portables were added in 1997, 2015, 2018, and 2021, and the school was modernized in 1999. There are four storage sheds on this site. The play apparatuses are in good condition.

At the time of the 1999 remodel, new bells and alarms were installed school-wide, as well as improved handicapped access to restrooms and drinking fountains. All classrooms are equipped with energy-efficient heating and air conditioning units. Phones are in all classrooms, allowing teachers and students access direct outside lines. The school received a new infrastructure to support computers and Internet access throughout the campus.

We are very proud of our school as it is a beautiful, welcoming, and well-kept campus!

Our custodial and district staff maintain our school and grounds so that it is clean and beautiful. Trash is routinely picked up, and the buildings are kept free of graffiti. We have benches for parents and students around the campus as well as shaded

## School Facility Conditions and Planned Improvements

picnic tables bordering our playing fields. The facilities are checked each morning and evening by custodial staff for vandalism, cleanliness, and safety.

The LEA governing board has adopted cleaning standards for all schools in the LEA. A summary of these standards is available at the school office, at the LEA office, or on the Internet at <https://www.fcusd.org/departments/maintenance-operations/covid-19-info-cleaning-standards>. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school

The LEA participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist LEAs with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. For the 2025/2026 school year, the LEA has budgeted 3% percent of the LEA's general fund budget for the deferred maintenance program.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

<b>Mathematics</b> (grades 3-8 and 11)	35	43	49	48	35	37

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Parents are encouraged to participate in all school events, including Family Welcome/Meet the Teacher, Back to School Night, the Harvest Festival, Spring Festival, and parent-teacher conferences. Teachers provide intervention resources to help parents support underperforming students. This year, we hosted our annual Family Welcome Day before school started, allowing parents and students to meet their teachers. Our annual Title I meeting was held prior to Back to School Night.

In November, annual parent surveys and parent compacts are distributed and discussed during parent-teacher conferences. Parents can access the school's website, classroom websites, and staff email addresses using home computers or the parent access computer located in the front office. Bilingual staff members are available to assist parents as needed.

Parent representation is ensured through active participation in the PTA, School Site Council (SSC), English Language Acquisition Committee (ELAC), and the Superintendent Communication Committee. Both SSC and ELAC have filled all parent positions. The PTA was highly active this year, organizing well-attended events and activities.

For more information about parent involvement opportunities at Peter J. Shields Elementary School, please contact individual teachers through the school office at 916-296-9160.

Peter J Shields utilized a variety of outreach efforts to gain input and feedback on the development of the Single Plan for Student Achievement (SPSA). These include:

- Every Child by Name Conferences
- 1x1 teacher meeting
- Regularly scheduled staff meetings
- Regularly scheduled Common Planning Time (CPT) meetings
- School Site Council (SSC) meetings
- English Language Advisory Council (ELAC) Meetings
- Staff Data Walk
- Parent Teacher Association (PTA) meetings
- Site Council meeting

## 2025-26 School Safety Plan

Our school is safe and well maintained. At Peter J. Shields, we pride ourselves on our school's appearance and campus safety. Our custodial staff also takes pride in keeping our campus clean and beautiful. Restrooms and eating facilities are cleaned daily. Kindergarten tables are disinfected nightly. Classrooms are cleaned several times a week. Any safety hazard that is reported is reviewed immediately and resolved. Our School Site Council and the Board of Education review safety plans each fall. During the 2024-2025 school year, there were zero (0) accidents involving students at Peter J. Shields.

Emergency plans have been developed in case a threatening situation should arise. The Emergency Plan is designed to give staff members and students guidance during emergency situations. Safety drills are held regularly to ensure that students and staff are well prepared in the event of an emergency. Our Safe Schools Plan encompasses disaster procedures, school conduct code and discipline, sexual harassment policy, and child abuse reporting.

## Fiscal Year 2024-25 Types of Services Funded

In addition to general state funding, Peter J. Shields receives supplemental state and federal funding through various categorical and support programs, including Title I Improving Academic Achievement, Title II: Supporting Effective Instruction, Title III: English Learners and Immigrant Student Program, Title IV: Student Support and Academic Enrichment, Learning Recovery, Educator Effectiveness, LCAP Supplemental Funds for English Learners and Low-Income Students, and the Expanded Learning Opportunity Program. Data Sources: Data within the SARC was provided by Folsom Cordova Unified School District, retrieved from the 2024-2025 school year SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and the community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

## Professional Development

Folsom Cordova Unified School District provided staff with three professional development days this school year. Each employee is encouraged to grow professionally through self-evaluation and reflection; by attending college and university classes as well as statewide and local workshops; reading professional literature, and networking. District-sponsored in-service training is provided through Professional Learning Communities (PLC) training, lead teachers, Teachers on Special Assignment (TOSA), and site-level academic, reading, math, science, and technology coaches. Professional development was also offered on the Science of Reading (SOR), English language development, Positive Behavior and Intervention Supports (PBIS), and on other instructional practices. FCUSD district staff work collaboratively to provide an induction program for qualified new teachers and ongoing professional development workshop options.

It is the goal of Peter J. Shields Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. Our committed staff is always available to assist struggling students whether academic or emotional.

This table displays the number of school days dedicated to staff development and continuous improvement.
