Is my child on track to graduate?

- 9th grade is intentionally designed to give every student a strong start and a clear path toward earning a graduation seal.

- Our school's goal is for each student to select a post-secondary pathway: Employment, Enrollment, or Enlistment and work toward earning a seal aligned to that choice.

How do I track my child's journey?

- **Student Support Teams**
  - Teams of school staff reviewing student's data to support success at AHS
- **School Counselor**
  - 1:1 Student Meetings
- **Education Advanced**
  - Software used by counselors
- **Communication**
  - Schoology messaging and e-mail to student support teammates
  - Future details about how to track diploma requirements

What is Work-Based Learning (WBL)?

- WBL can be paid or unpaid experiences
- Can occur in 25-hour segments over multiple years and multiple sites
- Credit classes versus non-credit classes
  - During senior year, students can take internship to earn both high school credits and work-based learning hours
  - Students can also accumulate work hours outside of school without being enrolled in a class (breaks, summer, Saturdays, evenings, etc.)

Enrollment Honors Plus
75 Hours

Employment Honors
150 Hours

Employment Honors Plus
500 additional Hours

What is the ICC?

Enrollment Honors Plus

Employment Honors Plus

The **Indiana College Core (ICC)** is a list of 30 college credits (about 10 high school classes) that can transfer as one full year of general education credits at **Indiana** public universities.

- Save money on a year of tuition!
- Start college as a sophomore!
- Meet requirement with a mix of dual college credit and AP courses
- Create high school schedule to meet diploma requirements **and** ICC requirements
    - **Example:** Everyone must take US History. Students can take US History for college credit and count for the diploma and ICC.

How does my student earn the ICC?

- **One** class in **each** of the following categories:
  - Written Communication
  - Speaking and Listening
  - Quantitative Reasoning (Math)
  - Scientific Ways of Knowing
  - Social and Behavioral Ways of Knowing
  - Humanistic and Artistic Ways of Knowing
- 30 Total Credits
  - 15 of the 30 must be from Ivy Tech dual credit courses
  - No cost
- 10th Graders can enroll in the following courses that may qualify for the ICC with a qualifying score:
  - AP Statistics, AP Chemistry, AP World History, AP European History, AP Music Theory, AP Psychology, IVY Tech Spanish 101/102 III Honors
- ICC Courses at Avon HS – see page 17 of the Program of Studies
