YCHS Head Girls' Basketball Coach	Christina Demus
YCSD Success Center Representative	Terrance White
YCSD DTC & ELL Coordinator & CTE Director	Tracy Watts
YCHS Teacher	Christopher Hudson
LWES Teacher	Harding Hubbard

Y.C.S.D. Wellness Policy

Rationale:

The link between health of students and learning is well documented. If children are to be successful in school they cannot be tired, hungry, sick, suffering from drug abuse, or worried that school is an unsafe environment in which they could become a victim of a violent act. It has become apparent that problems such as poor nutrition, lack of physical activity, substance abuse, depression, teen pregnancy, obesity, bullying, and more – can adversely affect not only a child’s health, but also his or her *ability to learn!* And that is precisely why the Whole School, Whole Community, Whole Child approach to school health can make a difference! The Whole School, Whole Community, Whole Child approach to school health improves kids’ health and their capacity to learn through the support of families, schools, and communities working together. At its very core, the Whole School, Whole Community, Whole Child approach to school health is about keeping students healthy over time, reinforcing positive healthy behaviors throughout the school day, and making it clear that *good health and learning go hand in hand.*

Goal:

All students in the Yazoo County Schools shall possess the knowledge and skills necessary to make healthy choices that promote healthy lifestyles.

To meet this goal, the Yazoo County Schools adopts this school wellness policy with the following commitments to implementing the Whole School, Whole Community, Whole Child Model approach to school health. This policy is designed to effectively utilize school and community resources and to equitably serve the needs and interests of all students and staff, taking into consideration differences in culture.

In determining these goals for nutrition promotion and education, physical activity, and other school-based activities that promote student wellness, the Yazoo County School Health Council has reviewed and considered evidenced-based strategies.

Commitment to Nutrition Environment and Services

Minimum Requirements:

Yazoo County Schools will:

- Offer a school lunch program with menus that meet the meal patterns and nutrition standards established by the U.S. Department of Agriculture (USDA)

and the Mississippi Department of Education, Office of Child Nutrition Programs.

- Offer school breakfast and snack programs (where approved and applicable) with menus that meet the meal patterns and nutrition standards established by the USDA and the Mississippi Department of Education, Office of Child Nutrition Programs.
- Promote participation in school meal programs to families and staff.
- Operate all Child Nutrition Programs with school foodservice staff who are properly qualified according to current professional standards (Mississippi Board of Education Policy, Code 2001).
- Follow State Board of Education policies on competitive foods and extra food sales (Mississippi Board of Education Policy, Code 2002).
- Include goals for nutrition promotion, nutrition education, physical activity and other school-based activities to promote student wellness.
- Implement Nutrition Standards as adopted by the State Board of Education in accordance with the Mississippi Healthy Students Act (State Board of Education Policy 4011),
 - Healthy food and beverage choices;
 - Healthy food preparation;
 - Marketing of healthy food choices to students, staff and parents;
 - Food preparation ingredients and products;
 - Minimum/maximum time allotted for students and staff lunch and breakfast;
 - Availability of food items during the lunch and breakfast periods of the Child Nutrition Breakfast and Lunch Programs;
 - Methods to increase participation in the Child Nutrition School Breakfast and Lunch Programs.
- Establish guidelines in accordance with USDA Smart Snacks in Schools for all foods available on the school campus during the school day with the objective of promoting student health and reducing childhood obesity.
- Establish standards for all foods and beverages provided but not sold to students during the school day (e.g. in classroom parties, classroom snacks brought by parents, or other foods given as incentives).
- Establish guidelines in accordance with USDA Smart Snacks in Schools for the sale of food items for fundraising.
- Use Smart Snacks Resources to educate the school community about the importance of offering healthy snacks for students and staff members.
 - <http://www.fns.usda.gov/healthierschoolday/tools-schools-focusing-smart-snacks>

Smart Snacks Product Calculator:

- The Alliance for a Healthier Generation Smart Snacks Product Calculator is an effective online instrument that has been determined by the USDA, Food and Nutrition Service to be accurate in assessing product compliance with the federal requirements for Smart Snacks in Schools. The calculator can be used for food and beverage products. <https://www.healthiergeneration.org/>

- Establish a cafeteria environment conducive to a positive dining experience, with socializing among students and between students and adults; with supervised eating areas by adults who model proper conduct and voice level; with adults who model healthy habits by eating with the students; and with eliminating carbonated soda containers and fast food and/or restaurant packaging by students, staff, and visitors in the cafeteria.
- Schedule recess before lunch, in order to increase meal consumption and nutrient intake at meals and to improve behavior in the dining area.
- Make school meals accessible to all students with a variety of delivery strategies, such as breakfast in the classroom and/or grab-and-go options.
- Provide nutrition information for parents, including nutrition analysis of school meals and resources to help parents improve food that they serve at home.
- Add nutritious and appealing options (such as fruits, vegetables, reduced-fat milk, reduced-fat yogurt, reduced-fat cheese, 100% juice, and water) whenever school stores, concession stands at sporting and academic events, parties, celebrations, social events, and other school functions.
- Eliminate use of foods as rewards for student accomplishment and the withholding of food as punishment (e.g., restricting a child's selection of flavored milk at mealtime due to behavior problems). Also, do not use any type of physical activity as a means of punishment.
- Eliminate foods sold to students in competition with school meals (one hour before breakfast and during breakfast, one hour before lunch and during lunch).
- Encourage all school-based organizations to use services, contests, non-food items, and/or healthful foods for fundraising programs. The sale of candy as a fund-raiser is strongly discouraged.

Commitment to Food Safe Schools

Minimum Requirements:

- Implement a food safety program based on HACCP principles for all school meals, as required by the USDA and the Mississippi Department of Education, Office of Child Nutrition Programs and ensure that the food service permit is current for the school sites. HACCP Principles for K-12 schools can be downloaded at: <http://www.nfsmi.org/ResourcesOverview.aspx?ID=151>
- Develop a food safety education plan for all staff and students, consistent with Fight Bac® (www.fightbac.org) and other national standards for safe food handling at home and in schools.
- Ensure that all staff has received instructions to support food safety on the school campus.

Food Safety resources have been developed by the Office of Child Nutrition to assist with the training of school staff members. These resources which include a training power-point presentation, food Safety Post Test and Food Safety Post

Test Answer Key can be found on the Office of Healthy Schools website at <http://www.mdek12.org/OHS>

- All school personnel (school board members, administrators, teachers, school nurses, instructional and health services paraprofessionals, foodservice staff, custodians and facilities managers, and administrative support staff) will receive copies of the Local School Wellness Policy that includes food safety policies and procedures and provides for relevant professional development.
- Adequate access to hand-washing facilities and supplies will be available whenever and wherever students, staff, and families prepare, handle, or consume food.
- The food safety assurance plan must address strategies that minimize risks for students and staff who have food allergies and intolerances.

Physical Education/Physical Activity

Minimum Requirements:

Yazoo County Schools will:

- Provide 150 minutes per week of activity-based instruction for all students in grades K-8 (in accordance with Section 37-13-134, Mississippi Code of 1972, ann., reference 2014 Mississippi Public Schools Accountability Standards 27.1.
- Provide Physical Education/Activity in accordance with the Physical Education Rules and Regulations as approved by the State Board of Education in compliance with the Mississippi Healthy Students Act (State Board of Education Policy 4012).
- Require fitness testing for all 5th grade students.
- Require fitness testing for high school students; during the year they acquire the ½ Carnegie unit in physical education as required for graduation by the Mississippi Healthy Students Act (State Board of Education Policy 4012).
- Offer a planned sequential program of physical education instruction incorporating individual and group activities, which are student centered and taught in a positive environment.
- Instruction must be based on 2013-2014 Mississippi Physical Education Frameworks.
- Implement the requirements of the Mississippi Healthy Students Act of 2007 (Senate Bill 2369).
- Graduation requirements for 9th through 12th grade students shall include ½ Carnegie unit in physical education.
- Beginning with 9th graders in school year 2015-2016, provide instruction in Cardiopulmonary Resuscitation (CPR) and use of Automated External Defibrillator (AED) for students in grades 9-12 in the school year they earn their ½

Carnegie Unit for physical education or health Education. MS Code 37-13-134 (Senate Bill 2185)

- Address concussions by adopting and implementing a policy for students in grades 7-12 who participate in activities sanctioned by the Mississippi High School Activities Association (MHSAA). This policy will include a concussion recognition course that has been endorsed by the Mississippi Department of Health. This course will provide information on the nature and risk of concussions for students participating in athletics. Also included in the policy, parents/guardians will be provided with a concussion policy before the start of regular school athletic season. (House Bill 48)
www.cdc.gov/concussion/HeadsUp/high_school.html#5
<http://www.misshsaa.com/GeneralInfo/SportsMedicine.aspx>
<http://www.mdek12.org/OHS>
- Incorporate 5 to 10-minute physical activity sessions in classrooms to teach subject areas and to make transitions between different lessons (Examples can be found at www.movetolearnms.org)
- Participate in a yearly fitness test for all students. Examples are: Fitness Gram® www.fitnessgram.net or Presidential Youth Fitness Program <https://pyfp.org/>
- Establish or enhance physical activity opportunities (like walking clubs or fitness challenges) for staff and/or parents.
- Collaborate with local recreational departments and youth fitness programs to promote participation in lifelong physical activities.
- Create opportunities for students to voluntarily participate in before- and after-school physical activity programs like intramurals, clubs, and at the secondary level, interscholastic athletics.

Commitment to Comprehensive Health Education

Minimum Requirements:

Yazoo County Schools will:

- Provide ½ Carnegie unit of health education for graduation (2012 Mississippi Public School Accountability Standard 20, Appendix A).
- Instruction must be based on the Mississippi Contemporary Health for grades 9-12 (2012 Mississippi Public School Accountability Standard 20, Appendix A).
- Implement the requirements of the Mississippi Healthy Students Act of 2007, which requires 45 minutes per week of health education instruction as defined by the State Board of Education for grades K through 8.
- Instruction must be based on the Mississippi Contemporary Health for grades K-8.
- Implement the requirements of MS Code 37-13-171, which requires the development of a sex related education policy and instruction on medically accurate or evidenced based abstinence-only or abstinence-plus curricula.

- Emphasize the disease prevention strand in the 2012 Mississippi Contemporary Health Education Curriculum.
- Integrate Health Education into other subject areas. www.movetolearnms.org (Click on Lesson Plans).
- Participate in USDA nutrition programs such as *Team Nutrition Schools* and the *Healthier U.S. School Challenge*. The school will conduct nutrition education activities and promotions that involve students, parents, and the community. The school team responsible for planning nutrition activities will include school foodservice staff, school nurses, health and PE teachers, coaches, and additional staff, as appropriate.

Commitment to Quality Health Services

Minimum Requirements:

Yazoo County Schools will:

- Ensure all school nurses are working under the guidelines of the 2013 *Mississippi School Nurse Procedures and Standards of Care*.
- Provide for teachers and staff training regarding signs and symptoms of asthma. (MS Code Sections 37-11-71 and 73-25-37)
- Every child who has been diagnosed with asthma must have an asthma action plan on file in the school office.
- Know the district anaphylaxis policy. Providing training by a healthcare professional, preferably a school nurse, for the individuals that will be responsible for implementing the policy at the school site. (MS Code Sections 37-11-71 and 73-25-37)
- The school nurse should attend at least one MDE sponsored training each school year.
- Offer comprehensive health services for students in grades K-12, through the employment of school nurses, as a means to academic success.
- Optimize the provision of health services with a school nurse-to-student ratio of 1:750 for students in the general population.
- Collaborate with other school staff to provide health services as part of a Coordinated School Health Program.
- Work with students, parents, and local healthcare providers to effectively manage and treat chronic diseases.
- Promote healthy lifestyles through school and community events (PTA meetings, open houses, health fairs, teacher in-services, and other events).
- Participate in administrative claiming for reimbursement of administrative cost associated with health and medical outreach.

Commitment to Providing Counseling, Psychological and Social Services

Minimum Requirements:

Yazoo County Schools will:

- Adhere to the details outlined in the Licensure Guidelines (436 or 451) when hiring guidance counselors and psychologists. The state does not have a policy specifically outlining the requirements for a school social worker. For licensure as a social worker in the state of Mississippi, a candidate must: provide verification of a baccalaureate degree in social work from a college or university accredited by the Council on Social Work Education (CSWE) or Southern Association of Colleges and Schools (SACS) and scores a minimum of 70 on the ASWB basic exam.
- Abide by Mississippi Code 37-9-79 (Amended 2014) as the school provides for counseling and guidance for students.
- Hire school guidance counselors with a minimum of a master's degree in Guidance and Counseling, or in an emergency situation, an appropriate certification as determined by the Commission on Teacher and Administrator Education, Certification and Licensure and Development. MS Code 37-9-79 – (Amended 2014-Senate Bill 2423)
- Hire school counselors who agree to abide by the American School Counselor Association Code of Ethics.
- Ensure that all school guidance counselors provide comprehensive counseling services such as:
 - Academic and personal/social counseling.
 - Student assessment and assessment counseling.
 - Career and educational counseling.
 - Individual and group counseling.
 - Crisis intervention and preventive counseling.
 - Beginning with the 2017-2018 school year, the State Department of Education shall require that local school districts conduct in-service training on suicide prevention education for all school district employees. Thereafter, only new employees are required to have training.
 - The Mississippi Department of Mental Health will be responsible for developing the content of the training (HB 263).
 - Referrals to community agencies.
 - Educational consultations and collaborations with teachers, administrators, parents and community leaders.
 - Education and career placement services.
 - Follow-up counseling services.
 - Conflict resolution.
 - Professional school counselors must spend a minimum of eighty percent (80%) of their contractual time to the delivery of services to students as outlined by the American School Counselor Association
 - Provide additional services to improve students' mental, emotional, and social health.
 - Hire qualified counselors who will address the mental health, academic, and career needs of students in the school setting.
 - Participate in administrative claiming for reimbursement of administrative cost associated with health and medical outreach.

Commitment to Family and Community Involvement

Minimum Requirements:

Yazoo County Schools will:

- Invite parents and community members to participate in school health planning by serving on the local School Health Council.
- Invite family or community members to participate in health and/or physical education classes
- Invite family or community members to eat a meal at school.
- Provide resources and training to parents on health-related topics, parenting skills, child development, and family relationships.
- Use the Family and Community Involvement Packet documents to promote health and wellness among families and communities
– <http://www.mdek12.org/OHS/FCS> - Click on Resources
- Recruit, train and involve family and community members as volunteers for teaching certain health units.
- Invite family and community volunteers to lead physical activities for children, such as lunchtime walkathons, weekend games, after-school programs, cheerleading, karate, aerobics, yoga, etc.
- Encourage health education skill-building activities at home by including homework for health instruction, personal goal setting for healthy behaviors, and other health education-related activities.
- Develop homework assignments for students that involve family discussions about health topics and age-related health issues.
- Encourage regular family mealtimes that include healthy choices.
- Schedule school health fairs and invite parents and the public to attend.
- Update parents on school health successes through monthly newsletters and/or email.
- Sponsor a Family Fitness Night.
- Increase PTA/PTO Membership.
- Plan Healthy Fundraisers and Healthy School Celebrations.
- Plan Healthy Rewards for students and encourage parents to do the same.

Commitment to Implementing a Quality Staff Wellness Program

Yazoo County Schools will:

- Health Insurance Plan that has been enhanced to include **My Active Health**, a wellness and health promotion program designed to help individuals live a healthy lifestyle and increase their overall wellness benefit –
<http://www.MyActiveHealth.com/Mississippi>
- Promote health and reduce risk factors through professional and staff development

- programs, providing information flyers and newsletters, introducing incentives for participating in healthy practices and activities, and offering an employee assistance program.
- Provide health promotion programs for school staff to include opportunities for physical activity, health screenings, nutrition education, weight management, smoking cessation, and stress reduction and management.
- Implement a healthy weight program for staff, such as Weight Watchers at Work Program®,
- <http://www.weightwatchers.com>
- Encourage after school health and fitness sessions for school staff.
- Develop relationships with community health providers (e.g., local health departments, hospitals, neighborhood clinics, health professionals), recreational facilities, voluntary health organizations (e.g., American Cancer Society, American Lung Association, American Heart Association), and other community members who can provide resources for or support school employee wellness activities.
- Organize employee walking teams or clubs.
- Coordinate Staff Wellness events and activities with state and national health observances throughout the year.

Commitment to Marketing a Healthy School Environment

Yazoo County Schools will:

- Provide positive, consistent, and motivating messages about healthy lifestyle practices throughout the school setting.
- Use traditional marketing materials such as posters, flyers, T-shirts, wrist bands, buttons, etc. to promote health messages to students and families.
- Involve students in the local school health council for planning and marketing school health messages throughout the school.
- Promote healthful eating, physical activity, and healthy lifestyles to students, parents, teachers, administrators, and the community at school events (e.g., school registration, parent-teacher conferences, PTA meetings, open houses, health fairs, teacher in-services, and other events).
- Work with the local newspaper, TV and radio to promote healthy lifestyles and to highlight the benefits and successes of school health initiatives.
- Create awareness of the link between the health of students and academic performance.
- Prepare media releases that share successes to local newspapers.

Commitment to Implementation

Minimum Requirements:

Yazoo County Schools will:

- Establish a plan for implementation of the school wellness policy.
- Designate one or more persons to ensure that the school wellness policy is implemented as written.
- Establish and support a School Health Council (SHC) that addresses all aspects of a coordinated school health program, including a school wellness policy (Mississippi Code of 1972 Annotated, Section 37-13-134).
- Conduct a review of the progress toward school wellness policy goals each year to identify areas for improvement.
- Use monitoring instruments, developed by the Office of Healthy Schools, to conduct a self-assessment that identifies strengths and weaknesses toward implementation of the minimum requirements. Monitoring instruments can be downloaded at <http://www.mdek12.org/OHS>

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/USDA-OASCR%20P-Complaint-Form-0508-0002-508-11-28-17Fax2Mail.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. **mail:**
U.S. Department of Agriculture
Office of the Assistant Secretary for Civil Rights
1400 Independence Avenue, SW
Washington, D.C. 20250-9410; or
2. **fax:**
(833) 256-1665 or (202) 690-7442; or
3. **email:**

Program.Intake@usda.gov

This institution is an equal opportunity provider.
