9th grade Course Selection Worksheet 2026-2027

Ninth grade students are required to take a minimum of 7.0 credits (maximum of 8.0 credits). Four credits will be from each of the core areas (English, Math, Science and Social Studies). In addition, students must have Physical Education (.5) and Computer Applications (.5). Students should choose their elective credits from any of the areas listed for a total 2.0, 2.5 or 3.0 elective credits. The [full Course Description Guide](#) contains detailed information about all courses offered and should be consulted when planning for a successful high school career. This worksheet is to be used as a guide for when students select their courses online in Power School in February and will need to obtain teacher initials/recommendations for their selections.
