12th grade Course Selection Worksheet 2026-2027

☐ I would like an appointment to discuss my selections

*Twelfth grade students are required to take a **minimum of 6.0 credits**. All seniors will take English 12. Depending on the sequence of classes one has chosen, some seniors may also be taking Modern World History, Math and Science courses as well. Students should choose their elective credits from any of the areas listed under elective options. Although we do our best to honor one's first choice, students are strongly encouraged to choose an alternative elective course. The [full Course Description Guide](#) contains detailed information about all courses offered and should be consulted when planning for a successful high school career. This worksheet is to be used as a guide for when students select their courses online in Power School in February and will need to obtain teacher initials/recommendations for their selections.*

**** CIRCLE YOUR CHOICES and see Senior Incentives, Co-Op, Internship, Dual Enrollment and other specialty program information on the last page**

Teacher initials	ENGLISH		CREDIT
	0639	AP English - Language & Composition * Summer reading required	1.0
