YOU ARE GOING TO NEED 6 OF THEM

- The Master Schedule is a complicated puzzle.
- Not all of your first choices are going to fit.

**Total Requests/Scheduled = 15
Total Alternates = 6**

To End: Click "Save Course Requests"

The screenshot shows a web interface for managing course requests. At the top, there are tabs for 'My Requests' and 'Alternates'. Below the tabs, summary statistics are displayed: 'Requests: 6', 'Total Credits Requested: 4.000', and 'Maximum Credits: 15.000'. Are You a Zero-Hour Band, Orchestra or Choir Student?

- Do not try to enter your Zero-hour courses
- Skyward data entry is set to limit you to 15 Requests
- Your Band, Orchestra and Choir teachers will provide the counselors a list of students who should be enrolled into Zero hour.
- We will enter these classes for you.
- Simply communicate with your music teacher and they will let you know the requirements for being added to the zero-hour ensembles.

When finished, review your courses carefully.

You will have little to no opportunity to make changes later.

If you are satisfied, then simply exit the program.

Skyward Data Entry-

- Skyward is scheduled to be closed this Thursday, February 5th at midnight.
- Thus, Thursday February 5th is your deadline to complete your registration.

Do not procrastinate!

Remember to turn in your signed AP and College in the High School Contract to your counselor!

- If you entered any AP or College in the High School classes into Skyward, then you must complete and sign this form.
- We need this for year-long music classes also.
- If you do not turn in this form to your counselor, then your AP or College in the High School classes cannot be scheduled.

Honors/AP/Yearlong Music/CIHS classes registered for the 2026 - 2027 school year:

- *I understand that Honors/AP/Yearlong Music/CIHS courses require more work outside of class and higher-level thinking.*
- *I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).*
- *I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, Yearlong Music, or CIHS classes that I sign up to take.*
- *I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.*
- *I understand I must pay approximately \$98 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.*

Questions:

- **Counselors are available every day during lunch. Come on in!**
- **Your teachers are smart! They can answer almost all registration questions. You see them in class everyday- just ask 😊**
- **See our Registration Q and A Sheet on the school website.**
- **Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).**
