

# CARDINAL NEWMAN SCHOOL

2024-2025 ANNUAL REPORT

## **MISSION STATEMENT**

Cardinal Newman School is a Catholic middle and high school whose mission is to provide an academically rigorous Christian education to young men and women from diverse socio-economic and cultural backgrounds. We challenge our students to embrace truth, pursue academic excellence, act with integrity, lead courageously, work for justice, and engage in generous service. We are a community where every student is known, the dignity of all is appreciated, and apparent and potential gifts are developed in mind, body and spirit.

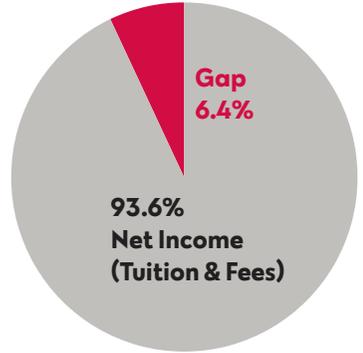

# 2024–2025 Stewardship Report

At Cardinal Newman, we are committed to being transparent with our community and demonstrating good stewardship with each gift. Our goal is to use every dollar wisely to strengthen our mission and provide the very best experience for our students – academically, spiritually, and personally.

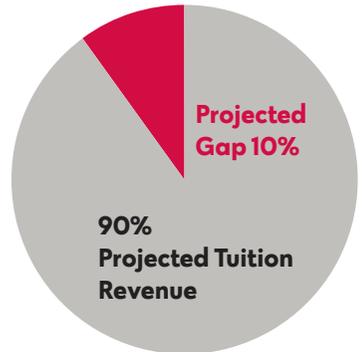

For the 2024–2025 school year, Cardinal Newman operated with net expenses of \$9,258,425 and net income (tuition and fees) of \$8,662,798, resulting in a gap of \$595,627 (6.4%). Thanks to the generosity of our community, donations through the Newman Fund and other targeted gifts helped bridge this difference. These figures represent last year’s final audited results.

Looking ahead, our projected operating budget is \$9 million, with tuition covering \$8.1 million, leaving a gap of \$900,000 — about 10% of our costs. While many gifts come through targeted programs like athletics or the arts, the Newman Fund is our only unrestricted source of support. These gifts allow us to meet immediate needs, invest in academic excellence, and keep tuition as accessible as possible for our families. By growing the Newman Fund, we ensure Cardinal Newman remains strong for today’s students and sustainable for the future.

## 2024–2025 Gifts By Fund

Dear Cardinal Newman Community,

I write this letter on the heels of our Cardinal Newman Open House, where more than 70 families visited our campus. It was inspiring to witness the joy and anticipation of parents exploring our school and of the young students who hope to begin and complete their Middle and High School years here at CN. While we are blessed with an outstanding facility and exceptional teachers and staff, what truly won hearts that day were our remarkable students and our unapologetic Catholic identity. I share this with you because it is through your support that we are able to nurture the spiritual and academic growth of each student.

Each year, I am humbled by the generosity of our community, and I am grateful that so many of you choose to invest in Cardinal Newman through an annual gift to the Newman Fund. This Fund is the backbone of our advancement efforts and provides the flexibility to direct resources where they are most needed. A strong Newman Fund ensures that all of our programs—academic, athletic, artistic, and spiritual—can flourish.

This past year, we were also blessed to establish a new initiative: the **Cardinal Newman Excellence in Education Endowment**. As part of our strategic plan, our community identified the importance of supporting our dedicated teachers and staff with a just and livable wage. We are truly fortunate to have such a gifted, faith-filled faculty who make personal sacrifices to serve our students. The goal of this endowment is to provide sustainable funding for competitive salaries, benefits, and, when possible, continuing education opportunities. We look forward to sharing more about this exciting effort in the months ahead.

Looking forward, I invite you to continue walking with us in this mission. Your generosity makes it possible to offer students the very best in academic achievement, spiritual formation, and preparation for lifelong success. Together, we can ensure that every student at Cardinal Newman receives the strong foundation they deserve.

Thank you for your prayers, your gifts, and your unwavering belief in Cardinal Newman. Your support strengthens our entire community and secures a bright future for our students.

In Christ,

**Mrs. Amy Yoho**  
Director of Advancement  
Cardinal Newman School
