

High School Furlough Options

- Each school year, students must be enrolled in a GT course for active GT identification in that content area. Students may be enrolled in the course virtually or face-to-face.
- **Furloughs**
 - Limited availability (i.e. academic scheduling conflict, medical, summer school)
 - A one-year furlough may be granted for students who enroll in a GT course during summer school and are not completing a GT course in their identified area during the fall/spring semesters.
 - While furloughs are granted for one year at a time, they may be reissued as needed.
 - Potential furloughs will be sent in the spring. The facilitator will verify the completion of the summer school course and enter the furlough in eSchoolPlus in the fall.

- **ELA**

- Students must be enrolled in at least one GT ELA course.

English I KAP/GT (0143)	AP English Language & Composition GT (0109)	Dual Credit Composition I /Composition II (1301/1302) GT (0155 OR 0156*)
English II KAP/GT (0144)	AP English Literature GT (0110)	Dual Credit British Literature 2322/2323GT (0157)

- *Note: Dual Credit Composition I (ENGL 1301) is a prerequisite for Dual Credit British Literature.
 - Students who took academic or AP English Language and wish to take Dual Credit Composition I /Composition II will utilize course code 0155.
 - A student may submit an AP Exam score of 3+ to HCC to satisfy the prerequisite. After submitting the score to HCC, the student can enroll in Dual Credit British Literature.
 - Juniors enrolled in Dual Credit English III will use course code 0156.

- **Math**

- Students must be enrolled in at least one GT Math course.

Geometry KAP/GT (0252)	AP Precalculus GT (0231)	Dual Credit College Algebra GT (0225)
Algebra II KAP/GT (0254)	AP Statistics GT (0294)	Dual Credit Plane Trigonometry GT (0229)
Elements of Data Science KAP/GT (0282)	AP Calculus BC GT (0280)	Dual Credit Elements of Calculus GT (0227)
Multivariable Calculus KAP/GT (0258)		

- A one-year furlough may be issued if a newly identified student did not take Algebra 1 in junior high so they can take it in high school.

- **Science**

- Students must be enrolled in at least one GT Science course.

Biology KAP/GT (0472)	AP Physics I GT (0467)	Dual Credit Biology 1 GT (0478)
Chemistry KAP/GT (0474)	AP Physics II GT (0469)	Dual Credit Biology 2 GT (0479)
	AP Biology GT (0417)	Dual Credit Anatomy & Physiology GT (0480)
	AP Chemistry GT (0427)	
	AP Environmental Science GT (0455)	

- **Social Studies**

- Students must be enrolled in at least one GT Social Studies course.

KAP/GT World Geography (0354) (summer only)	AP Human Geography GT (0348)	Dual Credit US History GT (0317)
KAP/GT World History (0309) (summer only)	AP World History GT (0306)	Dual Credit US Government GT (0318)
	AP US History GT (0314)	Dual Credit Macroeconomics GT (0319)
	AP US Government GT (0325)	
	AP Macroeconomics GT (0337)	
	AP Microeconomics GT (0356)	

- **Note:** KAP/GT World Geography and KAP/GT World History are summer acceleration options.
 - The AP/GT courses are preferred but not required for summer acceleration.
 - Students who elect to take a KAP/GT social studies course in the summer may receive a furlough if they take no GT social studies courses during the school year.
 - A student may not duplicate credit by taking academic or KAP World Geography and AP Human Geography.
 - A student may not duplicate credit by taking KAP World History and AP World History.
