SAE Projects

- An SAE (Supervised Agricultural Experience) is a hands-on project students complete outside of class to apply what they learn in agricultural education, such as raising animals, working a job, or completing an ag-related project.
- Minimum 25 hours invested per semester (15 for Freshmen)
 - Minimum of 5 journal entries
 - Complete SAE Plan in AET
 - 5 Photos of the project showing progress being made (Student in at least 1)
 - Monthly submissions with 5 hours, 1 journal entry, and 1 photo
 - 10% of the students grade

LDEs

An LDE (Leadership Development Event) is an FFA competition that helps students build leadership, communication, and career skills through activities like public speaking, judging, and team events.

- Creed (Freshmen only)
- Impromptu (Sophomores only)
- Opening and Closing (all grades, Novice & Advanced)
- Prepared Public Speaking
- Job Interview
- Extemporaneous

CDEs

Parliamentary Procedure

Livestock Judging

Veterinary Science

A CDE (Career Leadership Development Event) serves as a platform for personal and professional development. They help students develop critical thinking skills, effective decision-making, teamwork, and communication. These events also promote ethical competition and individual achievement.

Brentwood FFA offers:

- Veterinary Science
- Horse judging
- Parliamentary Procedure
- Livestock judging

Conferences

Conferences are a great way for our students to get involved within our program. They teach responsibility, participation, and overall leadership skills that can be taken back to our chapter. These come from State level contests, to local and regional.

- Greenhand Leadership conference (GLC)
- MFE & ALA
- State Conference
- Regional Spring meeting
- Section Leadership Night (SLN)
