AP- Advanced Placement

AP or Advanced Placement are courses that are college level studies in the arts. These classes equate to a course a student would take their first year in college and upon passing the end of the year exam/portfolio earn 3 or more college credits, depending on the university they are going to attend post high school.

9th Grade:

AP Art History-
Can earn a student
6-10 college units
for passing the
exam at the end of
the year. Usually
fulfilling a student's
Humanities
requirements.

10th – 12th Grade:

AP Studio Art 2D-
AP Studio Art 3D-
AP Studio Art Drawing-
These classes will earn
a student 3 units of
college credit to cover
one humanities class.
Students must submit a
portfolio in May

11th – 12th Grade:

AP Music Theory-
Students take an exam
and perform to earn 3
units of college credit in
Music Theory for their
Humanities
requirements.

*AP Studio Art has a prerequisite of a recommendation to have taken an introductory art class at least in the respective discipline being taken.

Advanced Placement

AP Art History
AP Studio Art 2D*
AP Studio Art 3D*
AP Studio Art Drawing*
AP Music Theory

PADA- Public Art & Design Academy

PADA is a California Partnership Academy creating a school within a school whose focus is public art. Any student can apply to be in PADA starting from grades 10 through 12. Students can enter either sophomore year or their junior year. All PADA students must take the following classes to be in the academy:

10th Grade

Public Space & Design *
PADA English 10
PADA World History
Living Earth

11th Grade

PADA Core*
PADA English 11
PADA US History
PADA Physics

12th Grade

PADA Internship*
PADA English 12*
PADA Gov/Econ*

* can take AP version but must be in one of the two core classes.

PADA is a CTE pathway- to complete PADA Core and PADA Internship must be completed.
