

# Leavitt Middle School

---

## Motto:

The Higher You Soar - The More Beautiful the View

## Mission/Vision:

We believe that the most important goal of our nation is the development of a high-quality education that will prepare all students for life in a fast-changing and complex world. We will provide a broad base curriculum so our students can adapt and will be prepared for high school. We will maintain high student expectations to ensure a high level of student achievement. We believe that the purpose of education is to provide those experiences which will encourage and assist the students in becoming responsible citizens who have the ability to bring change in society. To achieve these goals, Leavitt Middle School will teach respect for the individual and assist students in growing mentally, emotionally, socially and physically.

## Five Core Values:

**Leadership:** Lead inside and outside of the classroom through a positive example.

**Courage:** Take risks in your learning and thinking: have the courage to share ideas.

**Invincible Grit:** Persevere even when tasks get tough.

**Creativity:** Use your creativity to solve problems at your school and in the community. Think outside the box.

**Glorious Kindness:** Treat each person the way you wish to be treated.

## STEM Mission:

Our STEM Mission is to engage students in innovative design processes across all curricula with the ultimate goal of developing global citizens who work collaboratively to support their communities.
