This Week's Spotlight -

Parent Drop-in: Wednesday 8th October 2025

It was lovely to see so many parents/carers and family members visiting the children in their classrooms and sharing their learning.

There will be many more opportunities for parents and members of family to share learning and experiences with the children as the year progresses.

During the week beginning Monday 20th October 2025, the pupils will be participating in 'Unique Week'. Much of the learning will be focusing on pupils having further opportunities to think about, and celebrating, what makes them unique. More information will follow in each year group's 'Learning Together' as this year each year group will follow a different focus.

Attendance

We are committed to ensuring all our pupils have every opportunity to develop their learning and have access to new experiences. For this to be fully achieved, the pupils must achieve good levels of attendance.

Any absence affects the pattern of a child's schooling and regular absence may seriously impact their learning. The Department for Education (DfE) defines a pupil as a 'persistent absentee' when **they miss 10% or more** schooling across the school year, for whatever reason.

- **Attendance of 90% = one day absence per month (Persistently Absent)**
- **Attendance of 80% = one day absent per week.**
