Student IDs

Student and staff safety is our top priority!

- We have so many students moving from building to building that we require everyone to wear their high school ID during school hours.
- Incoming freshmen and new students receive their IDs and lanyard in August - it is a temporary ID until after school pictures.
- Properly displayed is defined as above the waist and on the front of the shirt. Students are financially responsible for replacing the ID badge and lanyard. An ID badge may be affixed using an approved lanyard, clip, or magnet.

What to Expect - Sr. Timeline

Early Fall – Apply to Colleges, Talk to Recruiters, Increase Your ACT/ASVAB Score, Gather Recommendations, and Create Academic Resume

October – FAFSA Completion (Financial Aid) – MO State Grants run out around February 1st

Winter – Start Getting Acceptance Letters, Decide Where You Are Headed with Financial Award Letters (Academic Scholarships, Grants, etc.)

Spring – OHS Major Scholarship Time!

Individual Career & Academic Plan (ICAP)

- * An ICAP is required by the State of MO for every student in public school.
- * Students create their ICAP in Naviance, located via the OHS main website (Quick Links).
- * The plan includes all four years of high school and the order classes can be taken to meet graduation requirements.
- * Having a plan ensures students take appropriate steps for their post-secondary opportunities, whether it is college, career, or military.
- * An ICAP is **not set in stone**. It is a **working document** that can be updated as interests change.
- * Focus is next year, but it shows sequencing so students can see a big picture.
