Bienvenidos! Un Lugar para Aprender, Crecer y Prepararnos para el Kinder

La escuela Preescolar de White Bear Lake provee un ambiente seguro y maternal para la primera experiencia de los estudiantes fuera de su hogar. Las actividades, apropiadas para la edad de los niños, proveen la oportunidad para aprendizaje significativo en las áreas de preparación para el Kinder: en las matemáticas, lectura, ciencias naturales y sociales, arte, música, juego dramático, y educación física. Esta experiencia positiva de preescolar apoye una transición exitosa al Kinder para los niños que participen.

A Place to Learn and Grow

White Bear Lake Area Preschool provides a safe and nurturing environment for a child's first school experience. Daily activities help children develop social and emotional skills that are a key for future school success. Licensed teachers provide a variety of meaningful hands-on learning experiences in the areas of reading and math readiness, science and social studies, art and sensory, music, and dramatic play. Our language arts curriculum is aligned with the district's kindergarten curriculum so our preschoolers will be well prepared for learning to read and write.

Play Based Learning

Play is the foundation upon which all preschool learning is built. As such, free-choice play times are incorporated into our preschool day, as well as guided play-based learning activities that are designed to teach children a specific skill. Children will experience hands-on and creative activities that will stimulate their learning while allowing the freedom to explore their environment and express their creativity. This play-based learning philosophy is supported by our guiding curriculum: the Creative Curriculum for Preschool.

Conscious Discipline

White Bear Lake Early Childhood uses Conscious Discipline, which is an innovative social-emotional learning and classroom management framework. Conscious Discipline teaches children self regulation skills for everyday life. This is taught by helping children to identify and name their feelings, and use breathing and calming strategies to regulate.

Parent Aware Rated

WBLAS Preschool Program is a four-star Parent Aware rated Program. Parent Aware is a statewide quality rating system for programs that demonstrate best practice for early education. Programs that receive a four-star rating are the highest quality programs in the state.

Serving All Children

We are an inclusive community. Our commitment to diversity and inclusion creates a culture of equity for children and families. We celebrate our differences and we recognize that children bring their own unique cultural strengths to our classrooms.

Special Education

Special education services are provided for children on IEPs within our program. Preschool teachers, Special Education teachers and Specialists work together to support all students.

Family Engagement

Meaningful family engagement in children's learning supports school readiness and later academic success. Here are some ways for you to support you student:

- Attend your child's preschool orientation meeting at the beginning of the year
- Ensure your child's regular attendance at school
- Attend conferences twice a year with your child's teacher
- Read the communication that comes from your child's teacher, and reach out if your child needs support
- Attend school events throughout the year
- Consider joining our White Bear Lake Area Schools Early Childhood Parent Advisory Council (PAC). For more information, visit earlychildhood.isd624.org/families/pta

Early Childhood Screening

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. Screening offers a snapshot of each child's health and development and provides families with valuable information about their child. Screening children between ages three and four, allows time for intervention (if needed) before the start of Kindergarten. For this reason, we require Early Childhood screening within the first 90 days of the start of the preschool year. White Bear Lake School District provides the screening at no charge to families. Through June of 2026, screenings will be held at Normandy Park on Thursday evenings and Fridays. Please contact our main office at 651-653-3100, if you have any questions regarding screening.

Full Day Preschool

Full Day Preschool: 5 Days (M-F)

Age 4 by Sept 1, 2026

This full day, year-before-kindergarten program is designed to help children prepare to enter kindergarten with the skills and behaviors necessary to be successful. Children who are four years old on or before September 1 of the current school year and are bathroom independent are eligible to enroll.

Dates: September 8, 2026-June 4, 2027
(follows the WBL preschool calendar)

Program Hours at Elementary Sites:
Mon-Fri, 7:45 am-2:15 pm

Program Sites: Birch, Lakeaires, Oneka, Otter*, Willow, and Vadnais

Additional Options: Students may qualify for transportation, Access to Nutrition Services (free breakfast and lunch at all elementary sites), and Extended Day offered at these locations

Cost: \$1060/month (Sept 1-May 1)

*Otter Lake Elementary Specialty Classes

We're thrilled to offer two fun specialty classes as a part of our Full Day program! If you're looking for outdoor adventures or a chance for your child to explore Spanish, our Otter Lake location is the perfect place for you.

Outdoor Classroom: This classroom will be spending 2 hours outdoors each morning, focusing on outdoor exploration and activities.

¡Hola Ositos! (Hello Little Bears) - Spanish Exposure

This Spanish Exposure class is designed to serve both Spanish speaking and non-Spanish speaking children supporting first languages while also exposing children to a second language. This class provides a welcoming space to explore a new language, engaging in interactive activities and peer learning, and a wonderful foundation should you consider our Spanish Immersion program in kindergarten.

Transportation will be provided for families in the ¡Hola Ositos! - Spanish Exposure class based on the Otter Lake Elementary Dual Spanish Immersion routing. More information will be available when routes have been established.

Scholarships available to students who meet certain qualifications (i.e. low family income, dual language learners, children in foster care, or other types of needs). Call the early childhood office for more information, 651-653-3100.

Answers to Frequently Asked Questions

In Every Classroom Our Program Provides:

- Minnesota licensed teachers and trained assistants
- *Creative Curriculum* used as the guiding instructional framework
- *Handwriting Without Tears* curriculum
- *Conscious Discipline & Second Step* framework & curriculum for social emotional learning
- Literacy framework that aligns to the district's kindergarten standards
- Ongoing assessment using *Teaching Strategies Gold* and *Fastbridge* to measure student growth

Toileting

All preschool students should be mostly bathroom independent, knowing when they need to use the bathroom and having few accidents. For Tamarack and elementary sites children must be independent with toileting without the use of a pull-up or a diaper to attend preschool classes.

Transportation

For full day preschool students at elementary sites, busing may be provided if space permits and you live within the school attendance boundary. There is no transportation for half day preschool classes or full day preschool at Normandy Park or Tamarack.

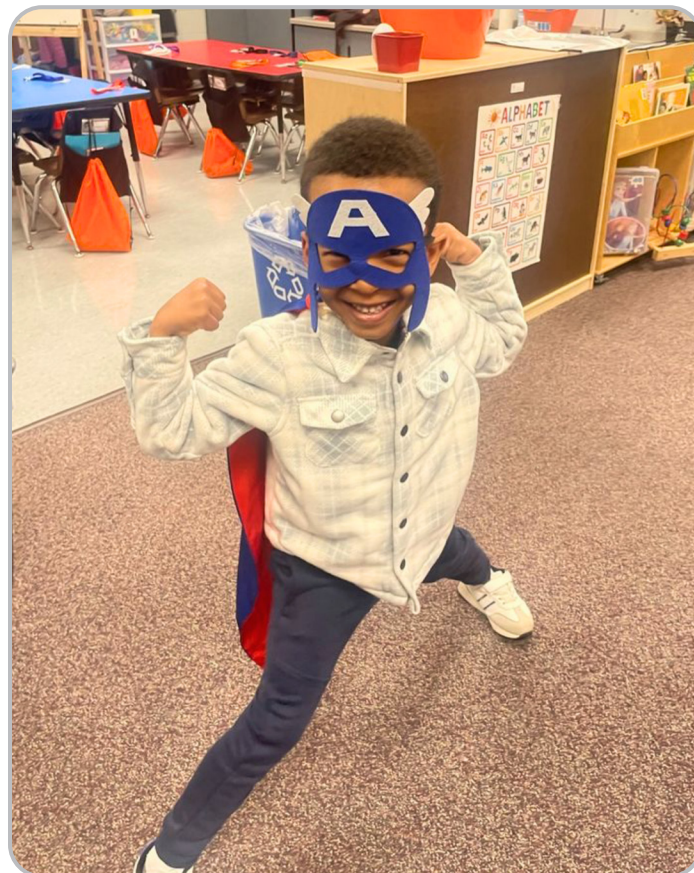

Extended Day

Families who are registered for full day preschool at elementary buildings, can register for Extended Day at those school sites. Registration for the 2026-2027 school year for Extended Day opens March 2. Registration is first come, first served and slots fill quickly. Please plan to register your child right away. For more information about Extended Day hours and rates, call 651-407-7511 or visit communityservices.isd624.org

Preschool Meals

Students attending full day classes at elementary sites will have access to school meals, and will be issued a food service PIN to use when eating school breakfast and lunch. This number will stay with your child throughout their school years in White Bear Lake. Students attending full day classes at Tamarack will need to bring lunch from home each day and eat breakfast before arriving at school.

Preschool Starts the week of September 7
and runs through the week of June 1.

Outdoor Play

Outdoor time is an important part of the school day for our children. Our preschool classes go outside everyday, weather permitting.

Scholarships

Scholarships are available for those who are eligible. Please contact the main preschool office for information at 651-653-3100.

Early Childhood Screening

Screen at Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. White Bear Lake Area School District provides this screening at no charge.

3 reasons to screen at age 3

- Screening can help ensure school success
- If health or developmental concerns are identified, educational services are readily available
- It is fun for children and provides caregivers with valuable information regarding child development

Register online at whitebear.arux.app or call 651-653-3100 with your child's name, date of birth, your name, and phone number.

Screening Procedure

Screening is being done in a one-on-one format. We suggest one parent accompany the child being screened and ask that siblings do not attend the appointment.

Screening Location:

Normandy Park Education Center
 2482 County Road F East, White Bear Lake, MN 55110

Note: Beginning next year, screenings will be held at Sunrise Park and Hugo!
