

Preschool E Learning Plan

On the other side of this handout, you will find our Preschool E Learning Activity Board. Please use our Bingo Board to complete any activities of your choice with your child. It is our hope that your child will enjoy these experiences and have an active learning day.

We understand how difficult these days can be for parents and students, so please do what is best for your family and complete the work as you see fit. We are available for contact at any time throughout the day if you have any questions.

Feel free to share any pictures with us through email or ParentSquare!

Thank you,
Miss Alex, Miss Riley, Miss Kelly
