

SUPPORT FOR EVERY LEARNER

At U Prep, every student deserves to thrive.

Our Student Development Team provides specialized services for scholars with IEPs and 504 plans, ensuring they grow academically, socially, and emotionally.

We partner with families and teachers to build confidence and independence while holding high expectations for success — always guided by our mission to do what's best for students.

NETWORK, PREPARING FUTURE-READY
SCHOLARS THROUGH COLLEGE PREP
AND REAL-WORLD LEARNING.**

ENROLL TODAY!

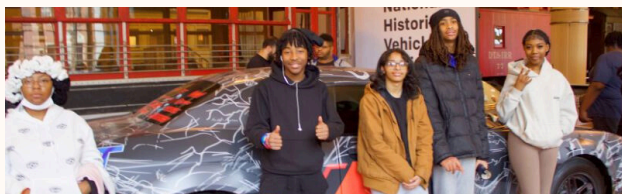

When You Choose a U Prep school for your child, you set them up for a journey to continue their education here through 12th grade with ...

The University Prep Schools' 90/90 Promise:

- More than 90% of students entering the 9th grade will graduate
- Over 90% are accepted into college, the military, or a trade/technical pursuit

WHY A U PREP HIGH SCHOOL?

Our 9th-12th grade curriculum blends rigorous academics with opportunities for exploration, empowering students to think critically and learn independently.

OUR CURRICULUM BUILDS:

- 1 Academic Excellence & College Prep:** Challenging, standards-aligned courses with Honors, AP, and dual-enrollment opportunities that help scholars earn college credit and build real college-level skills.
- 2 Real-World Learning:** A culturally responsive, project-based curriculum that connects learning to life, plus personal finance courses that prepare scholars for their future.
- 3 College & Career Readiness:** FAFSA help, test prep, application coaching, and clear pathways that guide every scholar to a postsecondary plan.
- 4 Scholar Support:** Daily CREW, strong social-emotional learning, school-based counselors, and mental health resources ensure every scholar feels seen, supported, & ready to thrive.
- 5 Multi-Tiered Support System:** Targeted academic interventions and data-driven instruction to meet the needs of every learner.

THREE DISTINCT ADVANTAGES

PROJECT-BASED LEARNING (PBL)

All U Prep Schools use hands-on, Project Based Learning (PBL), where teachers guide students to work on a project over time- from a week to a semester - to solve real-world problems or explore big questions using multiple disciplines such as math, science and language arts. Projects conclude with students sharing what they've learned by creating a final product or presentation for a real audience.

CREW AT THE U

CREW is a special part of University Prep Schools that helps scholars and teachers build strong, positive connections with each other in an environment of mutual support. CREW is more than just a program—it's a daily reminder to connect the entire U Prep community through our shared vision and values.

THOMPSON FOUNDATION

Founded in 1999, the Thompson Foundation built 10 state-of-the-art school buildings valued at over \$125 million, now leased to U Prep Schools for just \$1 per year. Their ongoing support helps U Prep deliver an exceptional education to more than 4,500 Detroit scholars.

BEYOND THE CLASSROOM

Extracurricular Activities: Engage in robotics, debate, cheer, dance, and more for fun and education.

Sports Offered: Football, volleyball, cross country, basketball, cheer, wrestling, and track & field at all high schools.

After-School Programs: Participate in programs like Grand Valley State U Pathway, TRIO Upward Bound, Bottom Line, Hidden Genius, robotics, debate, and academic games.

Dual Enrollment: Gain college credits through Lawrence Tech, College for Creative Studies, and Wayne County Community College, plus a CNA program for career readiness.

Future Guidance: Receive college and career counseling to ensure the best post-high school decisions.

U Prep Scholarships: Over \$20 million in scholarships for the class of 2025, including exclusive U Prep scholarships like the Thompson Foundation Presidential Leadership Scholarship.
