

**CAREER  
READY**

JOHNSON COUNTY  
COMMUNITY COLLEGE

Career Ready Information Night at JCCC

# Explore your future

**Want to start working toward your dream job while still in high school?**

Join us for a **Career Ready Information Night** at JCCC. Our Career Ready programs allow you to earn college credit, gain hands-on experience, make connections and start your career journey in a high-demand field, while still in high school.

**Welcoming:**

- High school sophomores
- High school juniors
- Parents/guardian of sophomores/juniors

**Questions?**

Hosted by JCCC's Early College  
Department

## JCCC Industrial Technology Programs Information Night

**Wed., Jan. 28, 2026 • 6–8 p.m.**  
Tour rotations at 6 p.m. and 7 p.m.

Hugh L. Libby Career and Technical  
Education Center (CTEC building)  
Johnson County Community College  
No RSVP required

## Find Your Path in Two Steps!

**STEP 1:** Explore each of our Career Ready Programs using the QR and select **TWO** programs of interest.

**STEP 2:** Attend Industrial Technology Career Ready Information Night and tour your top two programs—one at 6 p.m. and one at 7 p.m. Faculty will provide details, answer your questions and help you explore future career paths.

**WHAT'S YOUR PATH?** Scan the QR code to explore our industrial technology programs to plan which program tours to attend.

## Featured Programs:

- Automation Engineer Technology
- Automotive Technology
- Construction Management
- Electronics Technology
- Electrical Technology
- HVAC Technology
- Metal Fabrication/Welding Technology
- Plumbing Tech

**Choose  
two programs  
to tour**
