General Provisions

Filing

Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication, including email and fax, or by U.S. Mail. Hand-delivered filings shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filings shall be timely filed if they are post-marked by U.S. Mail on or before the deadline and received by the appropriate administrator or designated representative no more than three days after the deadline.

Scheduling Conferences

The District shall make reasonable attempts to schedule conferences at a mutually agreeable time.

Response

At Levels One and Two, "response" shall mean a written communication to the student or parent from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the student's or parent's email address of record, or sent by U.S. Mail to the student's or parent's mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

Days

"Days" shall mean District business days, unless otherwise noted. In calculating timelines under this policy, the day a document is filed is "day zero." The following business day is "day one."

Representative

"Representative" shall mean any person who or organization that is designated by the student or parent to represent the student or parent in the complaint process. A student may be represented by an adult at any level of the complaint.

The student or parent may designate a representative through written notice to the District at any level of this process. If the student or parent designates a representative with fewer than three days' notice to the District before a scheduled conference or hearing, the District may reschedule the conference or hearing to a later date, if desired, in order to include the District's counsel. The District may be represented by counsel at any level of the process.

Consolidating Complaints

Complaints arising out of an event or a series of related events shall be addressed in one complaint. A student or parent shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

Untimely Filings

All time limits shall be strictly followed unless modified by mutual written consent.

after receipt of the written complaint. The administrator may set reasonable time limits for the conference.

If the student or parent fails to attend the scheduled conference, the District shall dismiss the complaint.

Absent extenuating circumstances, the administrator shall provide the student or parent a written response within ten days following the conference. The written response shall set forth the basis of the decision. In reaching a decision, the administrator may consider information provided at the Level One conference and any other relevant documents or information the administrator believes will help resolve the complaint.

Level Two

If the student or parent did not receive the relief requested at Level One or if the time for a response has expired, the student or parent may request a conference with the Superintendent or designee to appeal the Level One decision.

The appeal notice must be filed in writing, on a form provided by the District, within ten days of the date of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One administrator shall prepare and forward a record of the Level One complaint to the Level Two administrator. The student or parent may request a copy of the Level One record.

The Level One record shall include:

1. The original complaint form and any attachments.
2. All other documents submitted by the student or parent at Level One.
3. The written response issued at Level One and any attachments.
4. All other documents relied upon by the Level One administrator in reaching the Level One decision.

The Superintendent or designee shall schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. At the conference, the student or parent may provide information concerning any documents or information relied upon by the administration for the Level One decision. The Superintendent or designee may set reasonable time limits for the conference.

The District shall determine whether the complaint will be presented in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. [See BE]

The presiding officer may set reasonable time limits and guidelines for the presentation, including an opportunity for the student or parent and administration to each make a presentation and provide rebuttal and an opportunity for questioning by the Board. The Board shall hear the complaint and may request that the administration provide an explanation for the decisions at the preceding levels.

If the student or parent fails to attend the scheduled meeting, the Board shall dismiss the complaint.

In addition to any other record of the Board meeting required by law, the Board shall prepare a separate record of the Level Three presentation. The Level Three presentation, including the presentation by the student or parent or the student's representative, any presentation from the administration, and questions from the Board with responses, shall be recorded by audio recording, video/audio recording, or court reporter.

The Board shall then consider the complaint. It may give notice of its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision at Level Two.

Note: For provisions regarding parental rights, see FA. For provisions concerning students with disabilities, see EHBAB. For provisions concerning student discipline, see the FO series. For provisions concerning student records, see FL.
