PACK PROGRESS

JANUARY 2026

Welcome to Pack Progress! Happy 2026! Time to Stretch!

We are thrilled to kick off the new year with incredible news: thanks to the generosity of 331 alumnae, current and past families, employees, board members, benefactors and friends, **we have surpassed our \$5.5 million goal!**

As of January 1, 2026, we have received an astounding \$ 5,739,861!

\$5,739,861

We could not be more grateful - or more proud - of our amazing Mercy McAuley community for their tremendous support of our students. **You made this happen! Thank you!**

But wait... there's more!

Because of the incredible success of this transformational campaign, we added an **additional \$4.5 million stretch goal** to fund exciting campus improvements, including:

RENOVATION OF OUR
ART WING, INCLUDING
AIR CONDITIONING,
NEW WINDOWS AND
AN ART GALLERY

RENOVATED
GREEN ROOM FOR
OUR THEATER

And last but not least... a new **on-campus**, all-weather turf stadium for soccer, lacrosse, flag football, phys ed classes, field day, Mercy Day and other school and community events. The new stadium will include a practice track for our track and cross-country teams, a press box and sound system, modern scoreboard, bleacher seating, concessions and an extended parking area.

Louise Taft Semple Foundation Donates \$25,000 for Theater

Mercy McAuley received a grant from the Lousie Taft Semple Foundation for our theater enhancements. These funds will be used for the renovated Green Room, expansion of our storage space, and new set and design equipment.

Thank you

Pep Rally – Students Excited for Updates

Last week we gathered the entire school community to share the fundraising update and our plans for renovations over the summer. Our students were excited to celebrate the campus improvements that are already complete or in progress, as well as those coming as part of the stretch goal.
