Participation Agreement

The Tri-Morris Junior Police Academy is a two-week program that mimics the actual police academy our officers attended and graduated from. The amount of hours put into the program from our respective agencies and the preparation to make sure that each recruit has the best experience is substantial. We have an increasing number of applicants each year and we can only accept a limited number of students so we want to make sure we have full commitment. Your recruit will be mandated to follow all strict protocols that are put in place for Covid-19 precautions. There will be NO exceptions.

Therefore, we are asking that each recruit and one guardian sign below acknowledging that participation is mandatory for all academic and physical training sessions. It will be physically demanding but reasonable. Any absence from the academy will result in the recruit not being eligible for awards. This does not include if your recruit is sick (although a doctor's note will need to be provided) or other extenuating circumstances. If your recruit is injured during the course of the academy, he/she will be allowed to remain and participate to the fullest extent allowed by a doctor. If your recruit has physical limitations we will modify exercises so he/she can still participate.

By signing below you and your recruit acknowledge that this program is not a camp but a simulation of the real police academy. You also acknowledge that there will be age appropriate sensitive information which must remain confidential.
