Understanding Catholic Education Tuition: The cost to educate each student at St. Anne typically **exceeds** the Annual Full Tuition rate. This is why all discounts (Catholic, Active, Exceptional SC, and ESTF scholarships) are applied only to the Annual Full Tuition amount. The only additional funding St. Anne receives beyond tuition is the Active Parishioner FACE provided by the parishes to support their parishioner families. Should a parish elect not to provide the FACE assistance, the parent will be responsible for this portion.

- It is required that every family that meets the income requirements submit an ESTF application in order to be eligible for any other financial assistance through the school or parish. **See below for details regarding ESTF.**
- FACE (Financial Assistance for Catholic Education):** To receive the Active Parishioner discount, you must submit the Pastor Recommendation Form acknowledging your affiliation to the church as part of your child's enrollment. You need to meet all requirements of the parish where you practice your Catholic faith. You will be responsible for the amount your parish does not cover.
- The amount published for FACE is determined in the spring of each school year, so this amount could vary.

- Active Parishioner Rate varies and will be set by the parishes in the spring of each year. All other discounts are only applicable if a family is determined NOT eligible for ESTF.
- Students may be required to purchase school supplies and other materials required by their grade level. High School students are responsible for purchasing their own textbooks and any other AP fees.
- Families with more than one child will receive a 10% discount for the second student per family and a 20% discount for the third student per family. The fourth child and over are free.

Education Scholarship Trust Fund (ESTF)

The Education Scholarship Trust Fund (ESTF) is a South Carolina scholarship program that provides \$7,634 scholarships to eligible families to help make private education more affordable. These scholarships are funded by tax credits and are designed to expand educational opportunities for students across the state.

Application Dates:

Priority students: Applications open **January 15, 2026**

All students: Applications open **February 9, 2026**

For more information, visit <https://sc-estf-program.com/en>

Important: Applying for ESTF does not guarantee an award. Apply early and plan accordingly.

How ESTF Works:

If you receive an ESTF scholarship, the \$7,634 is deducted from your full published tuition first. The Catholic Discount and Active Parishioner Rate (if applicable) are then applied to the remaining balance. Any additional financial aid need is assessed through FACTS Grant & Aid.

Tuition Example	
Full Tuition K3-Grade 5	\$10,150
ESTF Scholarship	-\$7,634
Sibling Discount	-\$500.00
Catholic Discount	-\$300.00
Active Parishioner	-\$1,160.00
Parent Responsibility	\$556

School Financial Aid Eligibility:

- Apply to ESTF on time before school can determine additional aid eligibility
- School-based aid only considered for need exceeding the \$7,634 ESTF amount
- Aid decisions based solely on FACTS Grant & Aid-determined need
- Financial aid is limited and varies; qualifying does not guarantee full award
