St. Philip Neri Church Financial Assistance for Catholic Education

---

Application Form & Program Policies

2026/2027 School Year

For many years, St. Philip Neri Church ("SPN") has strongly supported those parishioners that have their children educated in Catholic schools. SPN believes that we share in the teaching mission of Christ, and that Catholic education is an integral part of the faith formation of our parish mission. Just as those who have gone before us were called to nurture our Catholic faith through our formative years, we too are called to pass on our faith to another generation of God's children and those who will come after us. As such, Catholic education is the responsibility of the entire parish community.

In our continuing effort to support Catholic education, we are pleased to offer financial assistance to partially offset tuition costs for qualifying families that choose to provide a Catholic school education for their children during the 2026/2027 school year. In partnership with Catholic schools in York County, SC and Mecklenburg County, NC, we hope to assist families in meeting the financial demands of a Catholic education. Catholic schools prepare students to be faithful disciples of Christ, the whole person – spirit, mind, and body – through spiritual and academic formation based on the Gospel of Jesus Christ.

Financial Assistance for Catholic Education Policy (FACE)

- The two Programs only apply to students entering kindergarten through the 12th grade for the 2026/2027 school year. Families are required to re-apply for financial assistance each school year.
- If a family registers at SPN during the school year, a letter from the applicant's former parish must be submitted, indicating that the family has been active and participating in the former parish for a six-month period.
- Submit the Application Form to the Parish Office as applicants will be reviewed in the order in which they are received. **Funds are limited.**
- Recipients of any assistance will be notified on a rolling basis via email.
- **The application for F.A.C.E. enables a parishioner to be eligible for the financial assistance provided by SPN to offset tuition. Applicants must obtain a Pastor's Recommendation Form from St. Anne School and submit to SPN's Parish Office, along with this application. The application will not be reviewed until all forms are submitted. If you are seeking financial assistance from St. Philip Neri, check the box "Financial Assistance for Catholic Education, F.A.C.E.**
