EXTERNAL SCHOLARSHIPS

An external scholarship is a scholarship given to students by organizations outside of their school, such as community organizations, businesses, or foundations.

If you've been awarded an outside scholarship, we will process it as a miscellaneous scholarship on your account once payment is received.

Please have the organization provide the following information:

- The check should include: Student's full name and ID number (if known; avoid using the SSN, but if necessary, only use the last 4 digits, e.g., (xxx-xx-4321).
- Scholarship name.
- Contact person's name, address, and phone number.
- Indicate if the scholarship is for fall, spring, or both semesters.
- Specify if full-time enrollment is required and if refunds are allowed.

FOUNDATION SCHOLARSHIPS

Many generous donors establish foundation scholarships in support of higher education in Central Louisiana. There are three types of foundation scholarships available: Endowed Scholarships for First Generation Students, General Endowed Scholarships; and Non-endowed scholarships.

For more information regarding the foundation, please scan the QR code:

Foundation scholarships are awarded by an application process.

These types of scholarships each have a unique criteria to determine eligibility. Eligibility requirements can include, but are not limited to: ACT/SAT test scores, high school grade point average, current grade point average, degree program, participation in school activities/clubs, financial need, and ect.

Amounts of these scholarships can vary from \$250 to the complete cost of tuition and fees.

Once a student is awarded a foundation scholarship, the student may continue receiving the scholarship for up to eight consecutive semesters, as long as the student meets the retention requirements.

To be considered for foundation scholarships, you must complete and submit an application prior to the deadline date. A student can complete a new application each academic year to be considered for foundations scholarships.

Once the application period ends, the scholarship committee will review each candidate and determine who will become a recipient of each scholarship available. Once this process is complete, all students who have applied for foundation scholarships will receive a notification regarding their status. All students who are chosen to receive a scholarship will receive an offer letter. The student will have to accept or deny their award in AwardSpring.
