

At Home Library Literacy Activities

Each day you are learning from home, choose a book you have available.

You should choose a different book each day.

If you don't have a hardcover book or paperback; you may use an electronic book...

eBook options: Go to Launch Pad

- Destiny (our Library search site, has ebooks if you scroll down).
- Lightbox books are also available on Launchpad.
- SC Discus has numerous apps for reading and research
 - Research - Pebble Go and Britannica
 - Reading - Tumblebooks

You will need paper, pencil and crayons (markers or colored pencils will also work) for some of the activities.

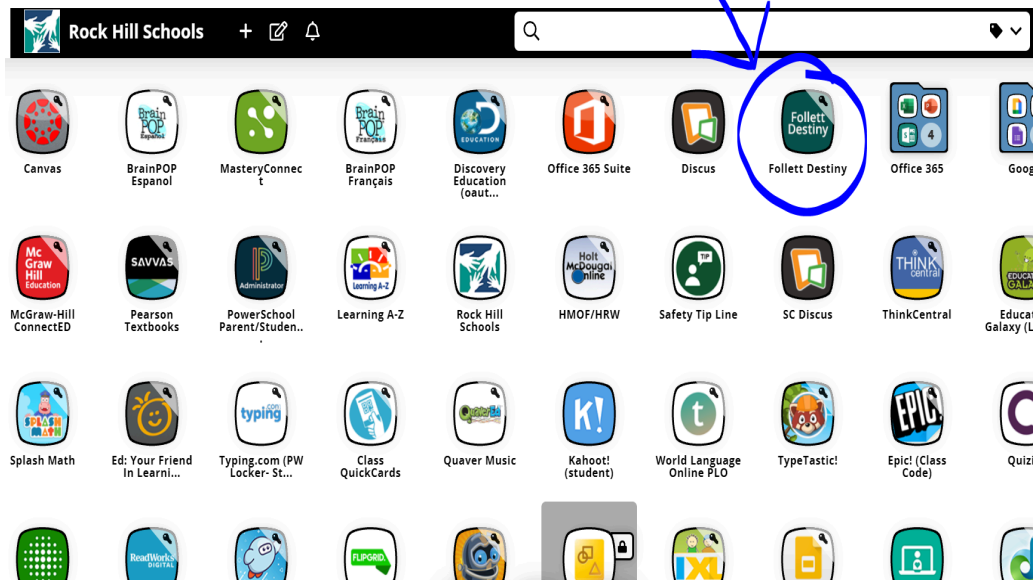

Each day you are learning from home, pick any two activities from the chart for the book you chose. You may do more than two if you'd like to.

OUTLOUD	SILENT	WRITE	DRAW	RESEARCH	CREATE
Read a short book or part of a longer book out loud to yourself in the mirror.	Read silently for 30 minutes...any book(s) of your choice	Write a letter to the author of a book you've read. In the letter, tell the author two things that happened in the text that was interesting to you and ask him or her one question.	Draw a scene from a book you are reading.	Go online to: DISCUS and choose a nonfiction resource to explore. Write down three fun facts from your research.	Create a 3D model to represent something in the text you are reading. A 3D model is something that has dimension (not flat on a page). You can fold paper, use craft materials or recyclable items such as cardboard for your creation. (if you don't have materials available, choose something else).

How to find an electronic book on DESTINY

You must be connected to the Internet for this to work.

1. Go to Launchpad and Select the Destiny App.

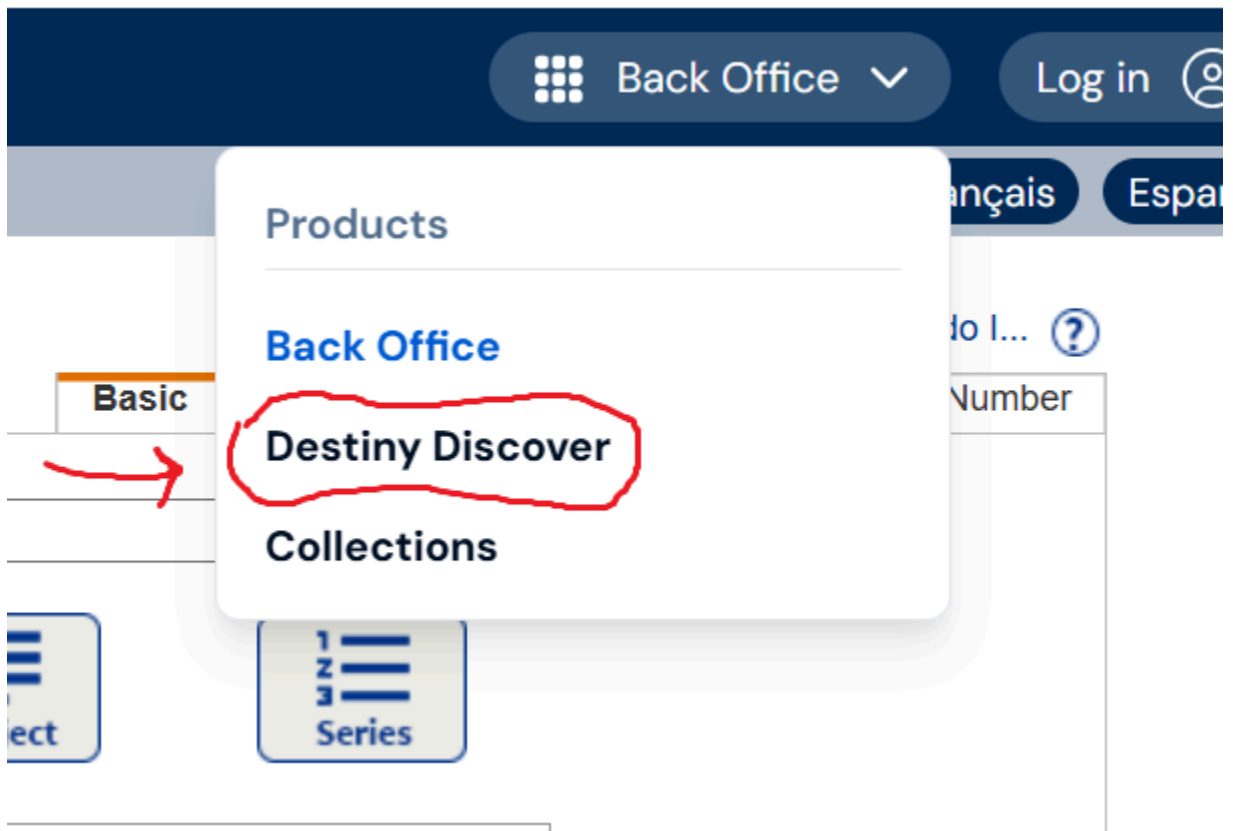

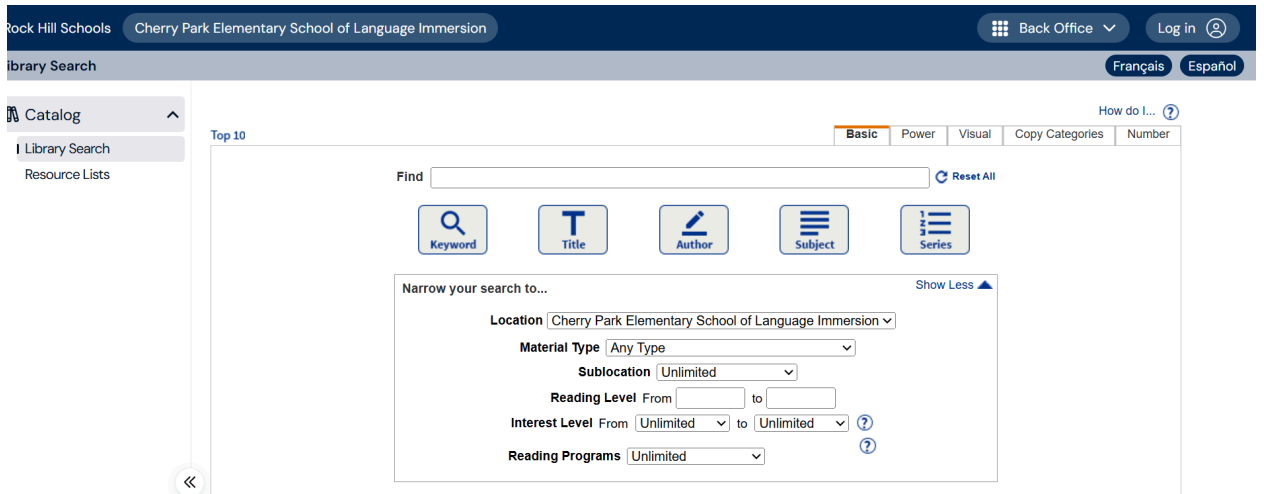

2. Select Cherry Park

Welcome to Rock Hill Schools District Users ... Log In
