Executive Summary

District Strategic Plan 2025

Broward County Public Schools is the sixth-largest school district in the United States and the second largest in Florida. The district serves more than 256,021 students at 231 schools and is one of the largest employers in South Florida, with 30,529 team members.

Vision: Educating today's students to succeed in tomorrow's world.

Mission: Educating all students to reach their highest potential.

Core Values: Student Focus, **T**eaching Excellence, **A**ccountability, **R**espect, **S**afety

School Mission Statement

At Broadview Elementary, our mission is to provide research-based differentiated instruction aligned to state standards to address the needs of all learners in a safe and educational environment supported by technology, real world applications and targeted professional development.

School Community

Broadview Elementary serves 610 students enrolled in grades Pre-Kindergarten through Fifth Grade. The student population's ethnicity comprises 46.72 % Hispanic and 53% Non-Hispanic students. Additionally, we serve a diverse population made up of White 0%, Black 53%, Native 0.16%, Asian 1.97%, Pacific 1.48 %, and Multiracial 1.80% students.

The administration includes Principal Terri B Glassford and Assistant Principal Susana Cruz. Broadview Elementary is proud to offer many unique programs which provide students with opportunities. In support of our vision and mission, our library Media Center is an integral part of supporting the various unique academic programs and extracurricular activities that contribute to the success of our students. Our collection is carefully curated to align with and enhance these programs, ensuring that students have the resources they need to succeed. The following programs and extracurricular activities include:

Language Enrichment Camp (LEC): Our Innovative Learning Commons currently offers a range of resources to support the Language Enrichment Camp funded by Title 3 for English

Language Learners (ELL). This includes bilingual books, vocabulary development tools, and reading materials that reinforce writing and science content for students in grades 1 through 5. These resources are designed to assist ELL students in closing achievement gaps and building their literacy skills.

Extended Learning Opportunities (Title 1 and ESSER funded programs): For students in grades 3 through 5 who are invited to after-school sessions for targeted remediation in reading and math, our Innovative Learning Commons provides a collection of leveled readers, math practice books, and content-rich resources to support fluency development. These materials help ensure that students can build their skills in a supportive and engaging way.

21st Century After-School Tutoring Program: Our library Media Center plays a key role in supporting the 21st Century After-School Tutoring Program by providing a wide range of academic materials, including reference books, study guides, and interactive learning resources that students can use for homework and skill-building. We also offer social-emotional learning resources to help students develop essential life skills, such as managing emotions and building positive relationships.

Vibrant Clubs:

a. **Sports Club**: Our library Media Center offers a selection of books on sports, fitness, and biographies of athletes to support students involved in the Sports Club. These materials encourage teamwork, physical activity, and the development of sportsmanship.
b. **Sunshine State Young Reader's Book Club**: Our library maintains a collection of the Sunshine State Young Reader Award books, which are available for students to read and discuss in the club. These titles are carefully chosen to engage students and foster a love for reading.
c. **Robotics Club**: To support the Robotics Club, the library Media Center provides books on robotics, engineering, and coding. These resources allow students to explore the world of technology and problem-solving, complementing the hands-on learning they experience in the club.
d. **Spelling Bee**: The library supports students preparing for the Spelling Bee by offering a variety of spelling and vocabulary development books, along with helpful guides and word lists for practice.
e. **Homemaker and Big Brother/Big Sister Clubs**: For students in the Homemaker and Big Brother/Big Sister Clubs, our library offers books on leadership, community service, empathy, and social-emotional development. These materials help nurture the personal growth and interpersonal skills of students involved in these clubs.

By ensuring that our library collection aligns with and supports these academic and extracurricular programs, we are able to provide students with the resources they need to succeed and grow in all aspects of their education in our learning community.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

Purpose of Collection Development Policy

A school library collection development plan serves as a roadmap to guide library materials' selection, acquisition, and maintenance. It ensures the collection aligns with Florida statutes, the District's Strategic Plan Goals and Guardrails, the school's curriculum, and student needs by providing a framework for choosing resources that best support student learning across different subjects and interests while also addressing diversity and appropriate content levels.

A Collection Development Plan Serves Several Important Purposes:

Statutory Compliance: A Collection Development Plan establishes the framework for adhering to the mandatory state statute, requiring each district school board to adopt procedures for developing library media center collections and to post these procedures on each school's website.
District Alignment: Aligns with Broward County Public Schools 2022-2027 Strategic Plan Goals and Guardrails.
Supporting curriculum: The plan should directly connect library materials to the school's curriculum, ensuring students access relevant study resources.
Student needs assessment: It considers students' diverse needs, including reading levels, interests, and learning styles, to select materials that cater to a wide range of abilities.
Selection criteria: The plan outlines clear criteria for choosing materials, such as quality, accuracy, relevance, and alignment with school values.
Budget management: It helps allocate library funds effectively by prioritizing purchase needs based on identified gaps in the collection.

Collection maintenance: The plan includes procedures for discarding outdated or damaged materials and replacing them with current resources.
Community engagement: It involves collaboration with students, teachers, administrators, and parents to gather input on collection needs.

A thorough analysis of the current media center collection at Broadview Elementary indicates that the average age of the collection is 2010 and the number of books per student is 13.1. The American Library Association has established a criteria for a highly effective media center that includes a ratio of 10 books available per student in the collection.

Currently, Broadview Elementary does meet the recommended standards for the number of books per student.

Library Program

The Broadview Elementary Library Program is designed to foster a love of reading and provide students with the resources and skills needed to succeed academically. Operating on a fixed schedule from 8:15 a.m. to 3:00 p.m., Monday through Friday, the media center is open to students starting at 7:35 a.m. for research or to access library materials. In addition to supporting the core curriculum, the library program is committed to various initiatives that promote reading and literacy throughout the school year.

One key initiative is Reading Across Broward (RAB), where reading competitions such as the *Science Reader* contest are organized. In this competition, students read books, articles or magazines that are science related, write summaries, and can win exciting prizes as well as have their picture taken and post to the "Science Reader Wall of Fame". The Beanstack program is also supported, where classes compete against one another to track and log reading minutes each month. The class with the highest reading minutes wins treats parties, encouraging friendly competition and fostering a sense of achievement.

Additionally, the Sunshine State Young Readers Book Club meets every other Thursday, focusing on Sunshine State books, engaging in fun activities, and building critical thinking skills. The "*Who Got Caught Reading*" program is another exciting initiative, where teachers submit the names of students spotted reading, and photos are taken to be added to the "Caught Reading wall", celebrating students' commitment to reading.

Instruction in the media center covers a wide range of topics. For K-5 students, library skills such as understanding parts of a book, navigating the Dewey Decimal System, and conducting research effectively are taught. Basic computer skills and programming concepts are also introduced, ensuring students are well-prepared for the digital world. Through various interactive activities, the program encourages creativity, enhances literacy,

and develops critical thinking skills. The goal of the Broadview Elementary Library Program is to create a welcoming and enriching environment where all students can develop a lifelong love of reading and learning.

Scope of the Collection

The library collection at Broadview focuses on a variety of formats to ensure accessibility and support for diverse learning needs. This policy outlines the materials and formats included in the collection and highlights areas of emphasis, particularly in support of educational priorities such as STEM and digital literacy

The district provides online resources to ensure equitable access to information for teaching and learning to improve student performance and achievement. Students and teachers can use Clever or Canvas to access age-appropriate materials that support educational and social-emotional needs through the following online resources: Follett Destiny Online Library Catalog, Gale Online Databases and eBooks, PebbleGo Next and National Geographic Kids, Beanstack, and Sora by Overdrive.

School media centers provide access to library media materials that eliminate educational barriers based on gender, race/ethnicity, national origin, color, religion, disability, age, sexual

orientation, gender identity, expression, or other protected group status and that are free of bias, stereotypes, distortions, and prejudices. This includes the ability to obtain information in a variety of formats -electronic as well as print, without fear of censorship or reprisal.

Collection Development

Collection Development is the process of providing quality materials and equipment for the library media center. The goal of collection development is to ensure the collection has information sources in adequate quantity and variety to support student's academic and personal interest needs. The media specialist is charged with leading this process with the input of teachers, students, and parents. Resources are selected according to principles of intellectual freedom and provide all learners with access to information representing diverse points of view.

Selection and Evaluation Criteria (Drawn from BCPS Policy 4120)

Selection of Materials

Funded by the state, district, and school, the media collection will contain a wide range of appropriate materials on varying levels of difficulty in various existing and emerging formats. It will focus on materials that address different learning styles and levels.

Responsibility

The School Board of Broward County is legally responsible for all matters relating to the operation of the Broward County Schools. The professionally trained media specialist is responsible for coordinating the selection of instructional materials for the School Media Center, consulting with the principal, teachers, and students.

***In the event there is not a school library media specialist,** the principal and/or Administrative Designee will assume the responsibility for identifying and selecting an instructional staff member(s) to engage in the selection process to ensure materials support the needs of the school community.

NOTE: *Clerical personnel should NOT be responsible for library material collection development and/or resource management and selection of materials.*

Criteria for Selection of Print and Non-Print Materials

1. Materials are selected to support the mission of Broadview Elementary
2. Materials are selected to enrich and support the curriculum and the educational, emotional, and recreational needs of the users.
3. Materials shall be appropriate for the age, emotional development, ability levels, learning styles, and social development of the students.

4. Materials shall represent differing viewpoints of controversial issues so that users may be motivated to engage in critical analysis of such issues, to explore their own beliefs, attitudes, and behavior, and to make informed choices in their lives.

In keeping with the ***Library Bill of Rights,*** materials will be considered based on the following:

- Needs of the curriculum, learning/teaching styles of students, faculty, and staff
- Possible use of material (including small or large group instruction, in-depth study)
- Level of physical, artistic, and literary quality
- Representation of multiple viewpoints
- Treatment of subject and lack of cultural bias
- Accuracy and currency of information
- Scope of coverage
- Support of inquiry and critical thinking skills
- Relationship of the material to the overall collection
- Cost, packaging, and documentation

Selection Tools

The following professional resources are available to assist the media specialist in the selection process. However, selection is not limited to the use of these tools.

Follett Titlewave: Titlewave is a collection development and curriculum support tool for school libraries, librarians, and educators, featuring professionally curated content from Follett library services and support tools that help you find the most relevant materials.

Mackin: Mackin uses highly acclaimed review sources (AudioFile, Booklist, Horn Book Magazine, Kirkus Reviews, Library Media Connection, Publishers Weekly, and School Library Journal). It places them in one convenient location to make the best selections for school libraries and students.

Periodicals: School Library Journal, Kirkus Reviews, Booklist, Horn Book, Library Media Connection, Journal of Adolescent and Adult Literacy, Young Adult Library Services, Knowledge Quest.

Books: Children's & YA Book Lists: Best Books, Best Books for Young Adult Readers; Books for You: An Annotated Booklist for Senior High Students; Outstanding Books for the College Bound: Choices for a Generation; and Senior High School Library Catalog.

Note: Common Sense Media, Amazon, Goodreads, The Manga Critic and Reviews from paid reviewing sources **may be used** in conjunction with professional reviewing sources.

Gifts and Donations

Any gifted or donated items must meet the same selection criteria as all other materials—the criteria listed in Florida Statute 1006.28 and Broward County School Board Policy 4120.

Collection Maintenance

Removing materials from a library collection that are no longer educationally appropriate is an equally important process as selecting new items of high quality. The library media specialist and/or instructional staff should have an ongoing process to evaluate the library media collection and to keep the collection relevant to the changing needs of the curriculum, personal interests, and needs of students. Evaluation of items under consideration for removal from the Library Media Center should be based on criteria related to the educational value of the resources. The removal (weeding) of library materials from the collection is the responsibility of a skilled professional library media specialist. Weeded items should not be disposed of or discarded at the school site. Weeded items should be boxed and identified as DISCARDED or WITHDRAWN and scheduled for pick up by Procurement and Warehousing Services by completing the enclosed Warehouse Assistance Request Form.

Reconsideration of Materials

Inquiries regarding the appropriateness of particular library and supplemental instructional materials are a normal part of the process of providing a wide variety of resources for student use.

Opt-Out Form

Parents may submit their request to limit their student's access to materials in the school or classroom library by submitting a completed Opt-Out Form to the school principal.

Procedures for Objections to Library Materials and Reading Lists

Superintendent Review Committee

1. The School Board shall form a Superintendent Review Committee (SRC) to review objections to library materials. The SRC must have a minimum of five members but may have as many additional members as the Superintendent or his/her designee appoints based on need.
2. Any committees convened for the purpose of resolving an objection by a parent or resident to specific materials must include parents of students who will have access to such material.
3. The membership of the review committee should reflect the broad racial, ethnic, socioeconomic, and cultural diversity of Broward County Public Schools as well as individual(s) with noted or reasonable subject matter expertise.

Phase 1: Complete Objection to Library/Instructional Materials Form

a. A parent or resident of Broward County who wishes to object to materials used within the School Board of Broward County Public Schools must complete the "Objection to Library/Instructional Materials Form," located on the school's Library Media website. The objection shall include the following information:
b. Parent or resident of Broward County must specify the text within the material he/she believes is out of compliance with the requirements of Section 1006.28(2)(a)2.a. or b., Florida Statutes, and the nature of the alleged noncompliance.

Phase 2: Notifications

a. Upon receipt of the completed "Objection to Library/Instructional Materials" form, notifications will be sent to the principal where the challenge originates as well as the Innovative Learning Department staff, school board members, and superintendent.
b. Any item subject to an objection on the basis of sub sub-subparagraph b. (I) or sub-sub-subparagraph b.(II) must be removed within 5 school days of receipt Page 9 of 10 of the objection and remain unavailable to students of that school until the objection is resolved.

Phase 3: Superintendent's Review Committee Review

a. The Innovative Learning Department Director shall convene the SRC to review the material.
b. SRC will utilize an approved review rubric aligned to School Board policies and state statutes approved by the Superintendent.

Phase 4: SRC's Recommendation to the Superintendent

a. A decision will be rendered within ninety (90) days after receipt of the objection.
b. Committee will submit their recommendation to the School Board of Broward County, the Superintendent, and the parent or resident of Broward County.
    i. allows the challenged material to maintain its current status;
    ii. leave the challenged material in the classroom or school media center, but allow students to use alternate materials approved by school personnel who require the use of the disputed items;
    iii. limit the educational use of the challenged material;
    iv. transfer the challenged material to a higher-level school (e. g. elementary to a middle school); and/or
    v. remove the challenged material from the school environment.

Phase 5: Appeal

a. If a parent or resident of Broward County disagrees with the determination made by the SRC, he/she may request inclusion on the School Board agenda.
b. If they disagree with the School Board's decision on the objection to the use of a specific material, a parent or resident of Broward County may request from the Commissioner of Education appointment of a special magistrate who is a member of the Florida Bar in good standing and who has at least 5 years' experience in administrative law to render a recommended decision.

The analysis of the collection also revealed the following areas of **strengths** and **concerns**:

Strengths

- The Easy section (27.6%) and General Fiction (25.8%) make up the largest and most current part of the collection, closely aligned with recommended percentages.
- The Language collection (1.6%) is above the recommended percentage (0.4%), showing good coverage and variety.
- The Biography section (8.8%) is significantly above the recommended percentage (3.8%), providing a strong selection of biographical resources.
- The History & Geography (6.0%) aligns closely with the recommended percentage (5.7%), reflecting a balanced offering in this area.

Focus Areas

- The Arts & Recreation section (3.4%) falls well below the recommended percentage (11.4%), indicating a need for expansion.
- The Science section (8.9%) is under the recommended percentage (12.9%), showing a gap in STEM-focused materials.
- The Social Sciences (3.7%) fall short of the recommended 5.1%, needing more updated and diverse titles.
- Many areas, including Biography, History & Geography, and Literature, have an older average publication year (2003–2006), highlighting a need for weeding and refreshing titles.

Strategic Focus

This page lists the priorities for weeding and purchasing for each school year and includes the actions, updates, and outcomes. This is subject to change due to funding and time constraints.

School Year	Strategic Focus
Year 1 Current Year	**Purchasing Priority 1:** Arts & Recreation (3.4% vs. 11.4%, -8.0%, avg. age 2012) **Purchasing Priority 2:** Science (8.9% vs. 12.9%, -4.0%, avg. age 2010) **Weeding Priority 1:** Biography (avg. age 2003, overrepresented at 8.8% vs. 3.8%) **Weeding Priority 2:** Professional/Reference (avg. age 1997, outdated, low usage expected).
Year 2	**Purchasing Priority 1:** Social Sciences (3.7% vs. 5.1%, -1.4%, avg. age 2011). **Purchasing Priority 2:** Philosophy & Psychology (0.3% vs. 0.8%, -0.5%, avg. age 2011 very small section in need of update). **Weeding Priority 1:** History & Geography (avg. age 2004, above recommended percentage, outdated materials). **Weeding Priority 2:** Easy/General Fiction (evaluate duplicates, damaged, low circulation to keep collection fresh).
Year 3	**Purchasing Priority 1:** Religion (0.2% vs. 0.4%, avg. age 2007, very underrepresented). **Purchasing Priority 2:** Technology (4.4% vs. 5.2%, -1.0%, avg. age 2010, often rapidly outdated subject). **Weeding Priority 1:** Literature (avg. age 2006, slightly above recommended %). **Weeding Priority 2:** Language (avg. age 2010, currently overrepresented at 1.6% vs. 0.4%).

Library Bill of Rights

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services.

I. Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.

II. Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be proscribed or removed because of partisan or doctrinal disapproval.

III. Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.

IV. Libraries should cooperate with all persons and groups concerned with resisting abridgment of free expression and free access to ideas.

V. A person's right to use a library should not be denied or abridged because of origin, age, background, or views.

VI. Libraries which make exhibit spaces and meeting rooms available to the public they serve should make such facilities available on an equitable basis, regardless of the beliefs or affiliations of individuals or groups requesting their use.

VII. All people, regardless of origin, age, background, or views, possess a right to privacy and confidentiality in their library use. Libraries should advocate for, educate about, and protect people's privacy, safeguarding all library use data, including personally identifiable information.

Adopted June 19, 1939, by the ALA Council; amended October 14, 1944; June 18, 1948; February 2, 1961; June 27, 1967; January 23, 1980; January 29, 2019.

Inclusion of "age" reaffirmed January 23, 1996.

Although the Articles of the Library Bill of Rights are unambiguous statements of basic principles that should govern the service of all libraries, questions do arise concerning application of these principles to specific library practices. See the documents designated by the Intellectual Freedom Committee as Interpretations of the Library Bill of Rights.
