What You Should Know

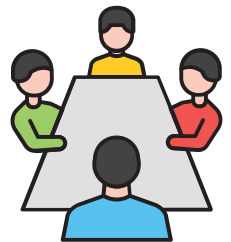

A "Fin-tastic" Reward

Our students are shrimply the best! The second marking period incentive trip to the Camden Aquarium for those with grades of 70 and above and 90% attendance has been set! Middle school students will be attending on February 19th and High School students on February 24th. We hope they have a whale of a time exploring the deep blue! Congratulations on your hard work!

PAC to the Future!

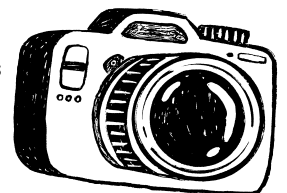

CSL is excited to hold our first Parent Advisory Committee meeting on January 27th. We look forward to seeing everyone and working together to create the best possible environment for our students!

Reminder

The second marking period ends on January 23rd - time to wrap up any last minute missing assignments and finish the quarter strong!

Picture retakes will be during ISL on January 22nd. This is your last chance to get a student ID and your picture in the yearbook!

Senior Portraits are being held on January 29th and 30th at CSL. If you are on track to graduate, make sure you check google classroom for your appointment date and time!

The Launchpad: For students ready to "take off" into college or careers.

See below for some upcoming events and resources!

Tour **Empire Beauty School** on February 2nd

Empire Beauty School provides various programs designed to train future beauty professionals with technical and business skills. They are accredited by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and provide hands-on training in student salons.

- **Cosmetology Program:** haircutting, coloring, hair design, texture concepts, basic skin care, and nail services
- **Esthetics/Aesthetics Program:** skincare, facials, waxing, makeup artistry, and spa services.
- **Nail Technology Program:** manicures, pedicures, and advanced nail techniques.
- **Educator Training Program:** Designed for licensed professionals who wish to become instructors and inspire the next generation of beauty professionals.
- **Hybrid Cosmetology/Hairdressing Program:** Combines online education with in-person training components.

Visit **Pennco Tech** on February 17th

Pennco Tech focuses on hands-on vocational training designed to prepare students for entry-level careers in under a year.

- **Automotive & Transportation:** Automotive Technology, Collision Repair.
- **Construction Trades:** Electrician Training, HVAC&R (Heating, Ventilation, Air Conditioning & Refrigeration), and Welding.
- **Healthcare:** Medical Assistant (18-week diploma program).
- **Safety Training:** Pennco Tech is an authorized OSHA testing site, offering OSHA-10 and OSHA-30 courses.

Key Features for 2026

- **Schedule Flexibility:** Offers both daytime and evening classes to accommodate working students.
- **Financial Aid:** Approximately 80% of students receive some form of financial assistance.
- **Lifetime Career Services:** Graduates have access to resume building, interview coaching, and a job order system for networking with regional and national employers.

B BENSLEM HIGH SCHOOL
