Dear West Essex School Community,

The Board of Education and district administration remain committed to keeping our community informed as we continue the planning process related to our school referendum. Transparency, responsible decision-making, and long-term planning for our students and facilities guide this work. To further support understanding, we are pleased to share a set of [Frequently Asked Questions \(FAQs\)](#) related to school referendums and our district's planning efforts. These FAQs are designed to address common questions about what a referendum is, why it is being considered, how priorities are determined, and how community members can stay informed and involved.

We encourage all families and residents to review the FAQs, attend Board of Education meetings, and continue to engage with the district as this important work progresses. Your questions, feedback, and participation are essential as we plan responsibly for the future of our schools.

Thank you for your continued support.

Sincerely,

Damion Macioci, Superintendent of Schools
Maryadele Wojtowicz, Board of Education President
