- No Browsing Allowed!**

Chromebooks Now Equipped with Proctorio for Edgenuity Exams!

Proctorio helps ensure a fair testing environment so every student's work is judged honestly.
Fewer distractions = more focus. Proctorio helps you show what you really know.

Proctorio for Edgenuity Exams
 During Edgenuity tests and quizzes, Albuquerque Aviation Academy uses Proctorio to help create a fair and focused testing environment. Proctorio runs only during exams, locks the browser, and supports academic integrity so students can confidently show what they know. The extension is already enabled on school Chromebooks—no action is needed from students or families.

Archery Pizza Sales
Cash Payment Reminder

Please note that archery pizza sales will no longer be able to accept cash bills larger than \$20. The front desk does not have the capacity to break larger bills (school, not a bank).

If your student plans to purchase pizza, please send them with the appropriate bills (\$20 or less).

Thank you for your understanding and support.

This week's progress goal is 14% by end of the week. 16% for Seniors!

Have you heard about our Weekly Essential?

Each week, we highlight an important value or behavior that we're focusing on as a school community. We encourage you to talk with your student about this week's essential and how they can put it into practice!

This Week's Essential:

If you win, do not brag. If you lose, do not show anger.

2026-2027 Lottery Application Now Open

We're excited to share that the lottery application for the 2026-2027 school year is now open @ abqaviation.com!

If you have siblings, friends, or family members who are interested in joining our school community next year, they **must** complete a lottery application in order to be considered for enrollment.

For current students, please note that the Letter of Intent to Return for the 2026-2027 school year will be released in February. Completing the Letter of Intent is required to save your child's spot for next year.

The enrollment lottery will be held during the first week of March.

Thank you for continuing to be part of our school community and for helping us share this opportunity with others. Please reach out if you have any questions.

Important Dates to Remember:

1/27/2026 8th Grade NAEP Testing

2/16/2026 NO SCHOOL; President's Day

2/26/2026 5:30-7:00 Prospective Student Open House

3/13/2026 End of 9 Weeks

3/13 & 3/20 & 3/27 12:30-3:30 Parent Teacher Conferences

3/30-4/3/2026 NO SCHOOL; Spring Break

Weather Protocols & School Operations Reminder

We are hearing increased reports about a potentially significant storm moving through the area this weekend. While it is still uncertain how conditions will develop, we wanted to take a moment to remind families and students of our weather-related school protocols.

In general, Albuquerque Aviation Academy follows Albuquerque Public Schools (APS) decisions regarding delays and closures. If there is a weather-related delay or closure, we will communicate that information as early as possible. Announcements will be shared through the three major local news channels (Channels 4, 7, and 13), and through Parent Square.

In the event of a school closure, it is *likely* that we will transition to a fully remote learning day(s). On remote days:

- Students are expected to work in Edgenuity and complete all assigned coursework.
- All teachers will send messages to student email accounts or through Google Classroom with information on how to access virtual support.
- Teachers may use Zoom or Google Meet for support sessions.
- All staff will be available to support students during regular school hours, excluding lunch time.

If you or your student are having difficulty connecting with a specific teacher, please email the administration team and we will assist in resolving the issue. If a teacher is taking the day off and is not available, families will be notified as soon as possible.

Thank you for your continued partnership and support. We encourage families to monitor communications closely during inclement weather and to prioritize safety at all times.
