WORKING IN PARTNERSHIP

# Supportive & Free Online School

Attention parents/guardians, middle school students, and high school students! If you need an alternative school option and your school district does not have one, Graduation Alliance may be able to help. We partner with Monroe School District to provide students with a **free, virtual middle and high school program.**

## Learn How It Works

- **100% Online Courses:** With no real-time classes or log-in times, you can set your own schedule and complete our 3-week courses anytime and anywhere.
- **Personal Support Team:** You'll have a support team to help you stay on track, navigate barriers that could interfere with school, and meet other students in the program.
- **Program-Provided Technology:** We'll send you a laptop and wifi hotspot if you need one while you're enrolled in the program. Plus, you'll have access to our IT support team.
- **District-Issued Diploma:** You'll graduate with a high school diploma from the school district.
