

Dear Friend of Vistamar School,

On April 25, 2026, Vistamar School will open its doors for our **Blue & Gold Gala & Auction**, a milestone celebration that honors our 20th Anniversary and the bold vision that has shaped two decades of student success, community leadership, and forward-thinking education.

Vistamar is a vibrant, inclusive independent school where students travel from more than **60 zip codes across Los Angeles** to learn within a dynamic and deeply connected community. Our families reflect a diverse cross-section of the city's most creative, entrepreneurial, and globally engaged leaders, individuals who value innovation, impact, and thoughtful education.

Guided by our mission, we are committed to ensuring that talent thrives without barriers. Today, 41% of our students participate in our Moderated Tuition Program, expanding access and belonging throughout the South Bay and surrounding neighborhoods.

More than a celebration, this anniversary gala fuels **access, innovation, faculty support, and community connections** that strengthen student outcomes and shape Vistamar's future.

We invite you to donate an **auction item or experience** that will inspire our bidders while supporting Vistamar's next 20 years. Popular contributions include:

- Travel stays, exclusive outings, or curated local experiences
- Dining, retail, or wellness gift cards and memberships
- Art, jewelry, sports tickets, tech, or themed gift sets
- Adventure opportunities, VIP access, or one-of-a-kind experiences

Your support will shine. **All donors will be recognized** through our online auction platform and event displays.

To contribute, please complete the [Auction Donation Form](#) or contact our Auction Committee at [auction@vistamarschool.org](mailto:auction@vistamarschool.org) by **Sunday, April 12, 2026**.

Thank you for helping us celebrate our legacy with purpose and roar into our next chapter together. Your generosity helps make Vistamar exceptional, impactful, and attainable for the students who will lead the way.

With deep appreciation,  
Vistamar School
