

Dear [Name],

On **April 25, 2026**, Vistamar School will welcome our community to the **Blue & Gold Gala**, a milestone celebration honoring our **20th Anniversary** and the bold vision that has shaped two decades of student success, leadership, and forward-thinking education.

Vistamar is a vibrant, inclusive independent school where students travel from more than 60 zip codes across Los Angeles to learn within a dynamic community. Our families reflect a diverse cross-section of the city's most creative, entrepreneurial, and globally engaged leaders, individuals who value innovation, impact, and thoughtful education. Guided by our mission, we are committed to ensuring talent thrives without barriers; today, 41% of our students participate in our Moderated Tuition Program, expanding access and belonging throughout the South Bay and surrounding neighborhoods.

As we celebrate 20 years of extraordinary growth, this anniversary gala is both a reflection of how far we've come and a bold investment in what lies ahead. Sponsorships play a vital role in sustaining the momentum that has defined Vistamar's first two decades expanding access, enriching programs, and strengthening the people and experiences that allow our students and community to thrive.

We invite you to partner with us as a **Gala Sponsor**, aligning your generosity with a joyful, high-visibility evening that celebrates both legacy and impact. Our sponsorship opportunities range from Presenting and Entertainment sponsorships to mission-centered and hospitality-focused activations, each thoughtfully designed to elevate the guest experience while advancing Vistamar's mission.

Sponsors receive meaningful recognition throughout the evening, including event signage, program acknowledgments, website visibility, and at select levels, on-stage recognition and premium seating.
