

William (Bill) and Jean Jenner moved to O'Fallon in 1958 and immediately became active members of the community. Bill served on the OTHS School Board from 1962-1999, and received the prestigious **Lifetime Distinguished Service Award** from the Illinois State Board of Education. Jean was an active member of several local organizations, including PEO and the O'Fallon Woman's Club.

The William and Jean Jenner Memorial Scholarship is presented to a student who is majoring in meteorology, biology, chemistry, physics, or mathematics. The applicants were judged based upon GPA, extra-curricular involvement, and an essay on their chosen career field.

Name: _____

Intended Major: _____

Meteorology, Biology, Chemistry, Physics, or Math
(preference given to Meteorology)

Weighted GPA:

A. List all extra-curricular high school activities and the years you participated in each. Attach a separate sheet if necessary.

[illegible]

- B. List any leadership positions held for above activities. Attach a separate sheet if necessary.

Activity	Leadership Y/N	Activity	Leadership Y/N

- C. List activities outside of school: work, church, community involvement, etc. List any leadership roles or offices held. Attach a separate sheet if necessary.

Activity	Leadership Y/N	Activity	Leadership Y/N

SECTION 3 – PERSONAL STATEMENT

Please submit a typed one-page, double spaced essay on the following:

- Explain why you chose your anticipated major and where you see yourself in five years as it relates to a career.

Please return the application and essay to the Guidance Office by **Friday, March 20, 2026**

The recipient should be available to attend the OTHS Honors Night Awards Ceremony on Monday April 27, 2026, as the award will be announced that evening.
