Day of Awesomeness Debrief (5 min)

What went well? What could be improved? How was the schedule? How were the group sizes? Do we need more shade? What month do we want to have it next year? Do we wait for Spring?

Holiday Shop Debrief
(5 min)

Inventory. Wrapping Station. Registers. Set Up. Decorations. What went well? What could be improved? Other schools have a shopping night - did anyone feel like they would have liked to shop at night with their kid? Were kids happy with their gifts?

Restaurant Nights
(5 min)

Islands & Chuck E Cheese were 3x more popular than Chick-fil-a, Chipotle, or Round Table. Why do you think that is? Are Dec/Jan too busy? Do parents prefer sit-down restaurants?

Carnival
(5-10 min)

What in previous years went well? What didn't go well? Last year, it was unlimited play for $10. Does anyone not come because they can't afford $10? Thuy can't head up the carnival this year. If anyone (or 2-3 people) want to take over, let us know!

Skate Nights
(5 min)

This year we didn't get to pick our skate days because we were given the options after other schools had booked. If we can pick dates earlier this year, what days of the week do we want? A mix of Tues, Wed, Thurs? 4 nights or 5? Early or late Sept? Nov? Jan/Feb? March/April (Easter is 3/28)? Late May?
