NOTES

If you need more information about how to earn a CCRI, please schedule a time to meet with your counselor. 

I have reviewed the course selections above with careful consideration of graduation requirements and my child's 4 year plan.
I approve the courses requested for the 2026-2027 school year and understand that schedule changes may not be possible, even if my child changes his/her mind about a course.
I understand that my child cannot drop an Honors or AP course once scheduled.
