- Practices are every day (from 3:10-5:00 pm M-F).
- Students need to take all their belongings to the locker room for practice and games, and lock everything up. Items that will not fit in the sports locker should be locked in the PE office.
- Students will not be allowed into the hallway lockers after practice or after games. Parents who do not attend any away games, please plan to meet your child at the JCMS covered play area at the estimated return time.
- Students need to pack a healthy snack to eat on the bus, a water bottle for the game, and a dinner for the way home. The bus will not stop for food. Sunflower seeds and drinks in cans will not be allowed on the bus. ALL DRINKS MUST BE IN RESEALABLE CONTAINERS.

According to district policy, all students **must ride the bus to away events**. If you wish to take your athlete home from an event, they will need to sign out with the Head Coach. If an athlete wishes to go home with someone other than their parent/guardian, then **they must have written consent**. This ensures safety for all our athletes.

To be eligible as Jefferson County Middle School and WSK8 interscholastic athletes, students must be passing all their classes. The following procedures will be used in determining middle school eligibility:

1. Eligibility checks will be done formally during each week of the sports season.
 - a. If a sports season coincides with the start of a quarter, the first week of the new quarter will not be evaluated, and grade checks will start in the 2nd week.
 - b. Grade checks are done each Friday at 2 pm. - Unless there is an unforeseen reason, they will be pulled the following school day.
 - i. Students will be notified by coaches during practices on Fridays.
2. Students who are not passing all seven classes will be placed on academic probation for one week. During the time of probation, it is expected:
 - a. The student raises any failing grades to a passing grade;
3. If the grade has not improved to passing during the probationary week, the student will be ineligible for the following week. Each student will be allowed only one probationary period per sports season. After that, eligibility will be determined week to week.
 - a. The student will not be permitted to travel to any away contests.
 - b. The student must be on the bench in street clothes during home contests;
 - c. After three weeks of ineligibility, the student athlete's suspension from the team for the remainder of the season.
