

DIS - E-Learning Day - 4th Grade

Each day choose 1 square PER ROW to complete.

Student Name: _____ Homeroom Teacher: _____

Reading		Read from a book or Epic! for at least 30 minutes in a cozy spot. **Epic is accessible during school hours only	Create a Google Slideshow or illustrate a mini-book of your day/week/weekend. 3-5 photos with captions explaining them	Go to Typing.com . Sign in and spend 15 minutes practicing your typing skills in "Lessons."
Math		Login to IXL and/or Prodigy , XtraMath for 30 minutes	Play a family game, like Monopoly, that uses critical thinking and math skills	Create 7-10 math WORD problems, have someone solve them, then check their answers
Language Arts		Play a word game with a family member. (Ex: Bananagrams, Scrabble, Crossword Puzzle, Boggle)	Illustrate your favorite book character from this year.	Complete one of the following writing prompts: --Explain the steps to build a snow person to someone who has never built one. --What is the best winter activity and why? --Imagine you're going on a trip to the North Pole ... write a short story
Social Studies/ Science		Design and build a catapult with household items. Test your accuracy and power by knocking over a tower of cups.	Find and read a current event article (online, newspaper, magazine)	Help an adult with lunch or dinner by measuring ingredients. How would you double or halve the recipe?
Life Skills		Clean your room.	Help with the dishes. Set the table or do chores for your family.	Read or play with a sibling/pet/stuffed animal.
Specials <i>(Select from the row of the Specials you are currently in)</i>	Phy. Ed.	Play outside for 30 minutes. Make sure the weather is safe enough for going outside(not too cold)	Shovel your driveway or a neighbor's driveway. Make sure the weather is safe enough for going outside(not too cold)	Do a 30 minute workout in your house. You can do any workout you want.
	Art	Found Object Color Wheel: Find small colorful items around your home (like toys, paper, or nature pieces). Arrange them in a circle to make a color wheel. Try to include red, orange, yellow, green, blue, and purple. You can draw or label the sections if you want.	Tiny sketch challenge: Cut or fold paper into small squares. Draw something you see at home on each one — like a shoe, spoon, or pet. Add one fun twist, like giving it wings or turning it into a robot. Arrange all your mini drawings together to make a small art gallery.	Paper Sculpture Challenge: Use one sheet of paper to build a standing sculpture. Cut, fold, roll, or twist the paper into shapes to make it tall or interesting. Try to make it stand on its own. Give your sculpture a name when you finish!
	Music	Practice your instrument/sing for 15 minutes	Visit http://musicracer.com/ practice note names & or instrument fingerings	Move your body to your favorite music for 10 minutes

Parent/Guardian Signature _____

(Parents may also email their child's teacher to confirm completion of choice board)

Draw something you see at home on each one — like a shoe, spoon, or pet. Add one fun twist, like giving it wings or turning it into a robot. Arrange all your mini drawings together to make a small art gallery.	Watch this short video about artist Giuseppe Arcimboldo: Arcimboldo Art Lesson for Kids – YouTube . He made faces using fruits, vegetables, and everyday objects! Now, create your own face or self-portrait using found items from your home — like toys, buttons, paper scraps, or nature objects. Arrange them on a flat surface to look like a person's face. Give your artwork a creative title when you finish!
	Life Skills	Clean your room.	Help with the dishes. Set the table or do chores for your family.	Read or play with a sibling/pet/stuffed animal.
