

LIONS FOUNDATION OF MORGAN COUNTY SCHOLARSHIP

Morgan Community College Scholarship

Application Guidelines (2025-2026)

The Lions Foundation of Morgan County scholarship competition for 2025-26 will provide up to two scholarships for students attending Morgan Community College. The scholarship winners must be 2026 graduates of Fort Morgan High School, Lincoln High School, Wiggins High School, Weldon Valley School District or a home-school student graduating and planning to attend Morgan Community College for at least two semesters. Both scholarships being awarded will be for \$2,000.

Scholarship applications will be evaluated based on the following criteria:

- Character
- Financial need
- Supporting letters and statements
- Work & volunteer experience
- Family responsibilities

A letter written by the applicant describing his/her family responsibilities, work experience, community involvement and educational goals should accompany the scholarship application. The Foundation values all aspects of the applicants experiences, so be sure to include all involvement that might help the board better understand each person's situation.

The completed scholarship application must be returned to your high school counseling office or, if a home-school student, emailed to Melissa at melissa@medialogicradio.com by Monday, March 30th, 2026.

A completed scholarship application will include:

- Completed application form (with student and school official signatures)
- High school transcript
- Personal letter from applicant
- Two letters of recommendation (one from a school official and one from a community member outside the school setting)
- Verification of the Expected Family Contribution (from the FAFSA or the Student Aid Report)

Incomplete applications will not be considered.

Scholarship applications will be evaluated by the Lions Foundation of Morgan County Scholarship Committee and need to be submitted by March 30, 2026.
