Enter By: March 16, 2026

Choose one of the following questions and use it to create your poster design:

- **How can YOU prevent water pollution?** Take a look at the Watershed Watch website for inspiration.
- **What do YOU love about our local waterways (creeks, rivers, lakes)?**

The contest is open to **K-2nd, 3rd-5th, and 6th-8th grade students** in Santa Clara County. Winners from each grade bracket will receive cash prizes, \$250 for first place and \$150 for second place, and have their art featured in campaigns to promote water pollution prevention.
