- Nominations begin September 12 and go through September 14
  www.changenv.org
- Election day is September 22, 2020 from 6 - 6
- Next meeting is 10/07/2020

The information regarding returning to school is every 30 days they will re-evaluate returning, at this point it looks as though maybe a staggered re-entry may begin with elementary school. At this time 2nd semester would be a projected discussion for return.

The difference between actual enrollment and strategic enrollment is approximately 80 students. Two positions remain unfilled due to retirement. It is possible that some students have agreed to remain at charter schools for the entire school year.

SB178 money is being returned to the school.

Parent nominations for SOT ASAP
