LEARNING FOR LIFE

Wellington
PREP SCHOOL

Wellington School Nursery offers term time provision with access to approximately six weeks of holiday club care, which is called Welly Boot Club. The School Nursery term time dates are published on the School website and in the Prep School diary.

The Nursery operates on a sessional basis and the charges are:

£73.50 per day (this consists of two sessions and runs from 8am to 6pm);

Or £44.10 per session (either morning, which runs from 8am to 1pm, or afternoon, which runs from 1pm to 6pm).

A registration fee of £100 is payable and a refundable deposit of £480 will be held for the duration of your child's time at the School.

(Fees may be subject to annual increases – please check the website for details)

Funded Childcare

For every funded session, we ask parents to contribute towards meals, trips, consumables and enrichment activities, as these are not covered by the funding we receive. To keep things simple, we include these charges in our **Wellington School One Package**, providing an all inclusive rate for added convenience. Costs are applied according to the number of sessions attended.

Wellington School One Package:

Nursery	Cost per session	Reclaimed hours (max of 15 or 30 hours per week)	Cost of food	Cost of enrichment
Half day	£44.10	£27.55	£4.10	£12.45
Full day	£73.50	£55.10	£5.95	£12.45

Additional Voluntary Charges:

Meals and snacks:

Half a day: Lunch and morning snack

Full day: Lunch, tea, morning snack and afternoon snack

Enrichment: (Forest school, drama, balance bikes, gymnastics, PE, trips out, cooking, MFL for Reception, nature detectives, welly walks, mindfulness and library time).

We offer one enrichment activity per session for the Nursery.

Early Years Entitlement funding (EYE)

The School is registered with Somerset Local Authority to receive EYE funding.

We offer 15 hours' entitlement to all parents of three and four year olds (the 'universal entitlement'). We also offer 30 hours' entitlement (the 'extended entitlement') to those working parents who are eligible.

Parents can gain more information about this scheme at www.somerset.gov.uk/eye30 or register at www.childcarechoices.gov.uk

For children receiving EYE funding the following numbers of hours are available:

15 Hours per week of Early Years Entitlement = 570 hours per year
30 Hours per week of Early Years Entitlement = 1140 hours per year

The School will invoice parents for Nursery fees. The fees are payable monthly in advance.

Payment can be made using direct debit (mandate required), BACS, Childcare vouchers or tax-free childcare. Direct debit payments will be taken on the last day of the month prior to the invoice period and all other payments must be made by the final day working day of the month prior to the invoice period.

EYE funding cannot be used for Welly Boot Holiday Club but childcare vouchers can be used.

EYE is allocated on an annual basis in line with the academic year. Once EYE funding has been exhausted for an academic year, the full Nursery fees will apply.

Fees are payable for all booked sessions, irrespective of whether your child is in attendance.

For parents to claim EYE, the following information is required by the school Admissions team:

- ✓ A copy of a child's legal documentation – Birth Certificate or Passport
- ✓ Somerset County Council Child Registration Form
- ✓ Working Family Entitlement Consent Form with code (if applicable)
- ✓ Parent's National Insurance number. If permission for this is not granted we are unable to claim for additional EYE funding.

These will be submitted to the County Council, by the School.

Early Years Funding can be claimed during Wellington School term times which typically account for 35 weeks of the year. Entitlements must be claimed in 5 or 10 hour sessions i.e half or full days.

If your child attends another setting in addition to Wellington School Nursery, you can split the hourly entitlement funding. If your child is using additional settings, it is the parent's responsibility to ensure that they do not over-claim their EYE funding and must notify us accordingly. Somerset County Council will reclaim any overpayments from the provider of their choice. The School will then reclaim any losses directly from parents.

EYE can be claimed up until the end of the term when your child turns five.
