Also, each grade level is planning a way to give back to the community with a service project. More information will be shared by your child's classroom teacher.

## Mrs. Troll - K Highlight of the Week

Creative play is an important part of learning in Mrs. Troll's Kindergarten classroom! Students enjoy exploring their imaginations and building important skills through hands-on activities such as building with Magna-Tiles, drawing and coloring, and playing with their desk pets. These activities help children develop creativity, fine motor skills, problem-solving abilities, and social skills as they collaborate, share ideas, and express themselves. Creative play also gives students a chance to relax, have fun, and build independence—all while learning through play!

## ZooMobile

The Seneca Park ZooMobile came back to DPS to visit 1st grade classes today. They taught students how specific species adapt to their environment. This connects directly to the non-fiction reading and writing units learning happening in the classroom.
