This scholarship (\$500 to \$1,000) is to be presented in one sum at the Conservation Awards Banquet in the spring. The scholarship check will be written to the recipient. The purpose of this scholarship is to encourage education in an environmental field and enhance awareness of the importance of the conservation of our natural resources. The winning selection will be based on the criteria of the mission and goals of the Dorchester Conservation District.

This scholarship is available to a high school senior or college student that either attends school in Dorchester County or resides in Dorchester County that plans to major in an agricultural or environmental related field such as but not limited to: Vocational Agriculture Education, Agriculture Economics or Agriculture and Environmental Engineering, Agronomy, Forestry, Horticulture or Soils.

The recipient must demonstrate ability, knowledge, and need in the application. Recipients may only receive this scholarship up to two times if applied for multiple times throughout your educational journey.

Sponsors of this scholarship program include: Dorchester Soil and Water Conservation District, businesses, organizations and individual citizens that have designated funds for this activity.
