# DUAL ENROLLMENT PROGRAM

Georgia's Dual Enrollment Program provides students enrolled at an eligible public or private high school or home study program in Georgia the opportunity to earn high school and college credit at a participating eligible postsecondary institution in Georgia.

Georgia's Dual Enrollment Program offers students the opportunity to experience college courses and begin their college academic career while still in high school and provides for standard tuition, mandatory fees and required books.

The program is offered during all terms of the school year.

- Students can only enter the DE program summer or fall semester.

## WHO CAN PARTICIPATE?

- 9<sup>th</sup> graders and 5<sup>th</sup> year seniors are not eligible per state of GA.
- Eligible students must be on track with HS credits for graduation.
- 10<sup>th</sup> graders: eligible students may enroll in approved CTAE courses listed on the DE Course Directory (GAFutures.org) at a participating TCSG institution only and / or meet SAT / ACT test score criteria.
- 11<sup>th</sup> & 12<sup>th</sup> graders: eligible students may take any approved DE courses listed on the DE Course Directory at an eligible PSI (USG, TCSG, or private).
- DE Funding Cap is 30 semester hours or 45 quarter hours for the traditional DE program. Accelerated Diploma Program has no cap.
- No residency or citizenship requirement.
- Student must maintain “Satisfactory Academic Progress” at the DE college.

## 10<sup>TH</sup> GRADE ELIGIBILITY

- Students in the 10th grade with a minimum SAT score of 1200 or minimum ACT composite score of 26 in a single test administration, taken prior to the terms of enrollment, may enroll in any approved DE course at a TCSG, USG or private eligible participating postsecondary institution.
- Students in 10th grade may enroll in approved Career, Technical, & Agricultural Education (CTAE) elective courses at a participating TCSG institution only (ex: GTC).

## REQUIREMENTS TO PARTICIPATE

- Parent/student complete required GCPS and McClure Health Science HS DE Permission forms and complete the 26-27 DE Funding Application on Gafutures.org (**opens Feb. 26**).
- Student must have completed the DE college admission process and been accepted & approved by the participating PSI.
- All DE college work must be completed prior to graduation.
- Students can be denied participation for violation of high school and DE college rules.
- **Students can be denied participation if they do not pass their DE courses.**

# WHERE CAN I ATTEND?

A student may apply to attend any participating public college, private college, or technical college in Georgia.

Most common colleges:

- Georgia Gwinnett College
- Gwinnett Technical College
- Georgia State University / Georgia Perimeter College

# WHAT ARE THE PROS AND CONS?

## PROS

- Students can get a head start on college credits.
- Helps students adjust to the college experience.
- Students may take classes not available at the high school.
- Earning college credits saves money on future college coursework—earlier graduation from college (not high school).

## CONS

- Students must keep up with important high school information.
- Higher expectations / rigor
- Some colleges prefer a different curriculum path (i.e. AP classes).
- Colleges will not communicate with parents / counselors of Dual Enrollment students.
- More appropriate for students who only plan to apply to GA colleges.

# TWO OPTIONS

Traditional (formerly Option A)	Accelerated Careers (formerly Option B)
<p>Traditional dual enrollment students will complete the required credits to graduate as well as the required End of Course Assessments.</p> <p>A traditional DE student cannot take more that 15 semester or 12 quarter hours each semester (funding maximum)</p> <p>DE Funding limited to 11<sup>th</sup> and 12<sup>th</sup> grade students (10<sup>th</sup> grade students must meet criteria)</p>	<p>Students can graduate with their high school diploma while being exempted from specific academic course requirements.</p> <p>Students must complete specific courses during their 9<sup>th</sup> and 10<sup>th</sup> grade year. Students choose to simultaneously earn a high school diploma and a college Associate Degree, Technical Diploma, or two (2) Technical Certificates of Credit (TCCs) in a specific career pathway. Students must work closely with their counselor and post-secondary staff to ensure they meet both the high school and college graduation requirements.</p>
<p>Some graduation requirements will be completed through dual enrollment courses. These courses may be taken on the college campus, high school campus (ENGL 1101, 1102) or online.</p>	<p>Students must take and pass the following high school courses in order to enter the AC path:</p> <ul style="list-style-type: none"> <li>• Two English courses, <b>if SB220 passes, one EOC and one state funded English course</b></li> <li>• Two mathematics courses, one being Algebra I and <b>one state funded Math course</b></li> <li>• Two science courses, <b>if SB220 passes, one EOC and one state funded Science course</b></li> <li>• Two social studies courses, one being American Gov and one Personal Finance &amp; Economics course *</li> <li>• One Health and Physical Education course</li> </ul>
<p>Traditional DE students are subject to <b>DE funding cap of 30 hours.</b></p> <p>Traditional DE students can self-pay for additional courses.</p>	<p>Accelerated Careers students <b>are not</b> subject to the funding cap. <b>Accelerated Career Education Grants—if SB 220 passes.</b></p>

Not for students who plan to attend a 4-year college after HS

## TRADITIONAL

- Traditional DE students will complete required EOC assessments.
- A traditional DE student cannot take more than 15 semester or 12 quarter hours each semester (funding max).
- DE funding limited to 10<sup>th</sup> – 12<sup>th</sup> graders.
- Some graduation requirements will be completed through DE courses (ex: ENGL 1101 as 12<sup>th</sup> ELA)
- Traditional DE students are subject to the DE funding cap of 30 hours (set by the state of GA, House Bill 444).
- Traditional DE students can self-pay for additional courses.

# ACCELERATED CAREER

- Students can graduate with their high school diploma while being exempt from specific academic course requirements.
- ACCELERATED CAREERS are NOT subject to the 30-hour funding cap.
- Students must complete specific courses during their 9th and 10th grade years.
- Students choose to simultaneously earn a HS diploma AND (a) a college associate's degree; (b) Technical diploma; or two (2) Technical Certificates of Credit (TCCs) in a specific career pathway.
- Students must work closely with their counselor and postsecondary staff to ensure they meet both the high school and college graduation requirements.

**Accelerated Career Pathways** give eligible students an exciting opportunity to fast-track their education. With this program, students can earn both a high school diploma and one of the following:

- An Associate of Applied Science Degree (AAS)
- A Technical Diploma
- A Published Program Leading to Licensure (PLL)
- Two Published Technical Certificates of Credit (TCCs)

Students pursuing Technical Certificates of Credit (TCCs) can combine two TCCs within the same program area, as outlined in the published guidelines, to meet the requirements for the Accelerated Career Diploma (ACD). If a student wishes to pair TCCs from different but closely related program areas, they must obtain prior approval from the Technical College System of Georgia (TCSG) before enrolling. This ensures that the selected combination aligns with industry standards and provides a cohesive educational pathway for career readiness.

By focusing on a specific career pathway, students gain the skills needed for success. The "ACE" Grant covers the cost of the chosen pathway, and students must enroll in one of the 22 colleges within the Technical College System of Georgia (TCSG).

Ready to take the next step? Connect with your high school counselor or contact any TCSG college to learn more about **Accelerated Career Pathways**.

Revised 2/3/2025

HIGH SCHOOL REQUIREMENTS	COMPLETE ANY OF THE FOLLOWING TECHNICAL COLLEGE CREDENTIALS
<ul style="list-style-type: none"> <li>• 2 English Courses (including EOC course)</li> <li>• 2 Mathematics Courses (including EOC course)</li> <li>• 2 Science Courses (including EOC course)</li> <li>• 2 Social Studies Courses</li> <li>• 1 Health/Fitness Course</li> </ul> <p>Students may replace one Social Studies course with an additional Math course. Local School Districts may NOT add additional requirements above the state minimum.</p>	<ul style="list-style-type: none"> <li>• 2 Published Technical Certificates or</li> <li>• A Technical Diploma or</li> <li>• A Published Program Leading to Licensure (PLL) or</li> <li>• An Associate of Applied Science Degree (AAS)</li> </ul> <p>AAS, Diploma, PLL, and TCC program offerings and placement criteria vary by college. Please contact your TCSG College for program availability and eligibility.</p>

Revised 2/3/2025

APPROVED PROGRAMS THAT LEAD TO LICENSURE
<ul style="list-style-type: none"> <li>CG11 Cosmetology for Licensure</li> <li>EB71 Emergency Medical Responder</li> <li>EMJ1 Emergency Medical Technician</li> <li>CE11 Esthetician</li> <li>HD21 Hair Designer</li> </ul>

<ul style="list-style-type: none"> <li>NT11 Nail Technician</li> <li>PN21 Practical Nursing</li> <li>BI31 Barber II</li> <li>BA31 Master Barber</li> </ul>

Revised 2/3/2025

To explore Accelerated Career TCCs, view the [ACP Approved List](#).

DualEnrollment@GwinnettTech.edu

**Not for students who plan to attend a 4-year college after HS**

# BE ADVISED...

- McClure Health Science HS does not provide DE classes on campus at MHSHS.
- GCPS and MHSHS do not provide transportation to the DE college campus.
- MHSHS students must have an MHSHS parking pass (see attendance office) or consistent daily transportation / pick up from or drop off at MHSHS.
- Online DE classes can be taken on campus at MHSHS.
- If the student fails to pass the courses required for high school graduation, he/she will not be permitted to participate in the graduation ceremony or continue with the Dual Enrollment program.
- If the student fails two (2) Dual Enrollment courses, he/she will not be permitted to continue with the Dual Enrollment program.

# WHAT ABOUT TRANSFER CREDIT?

- It is the student's responsibility to talk with colleges regarding their policies on Dual Enrollment credit. Generally, public colleges in the state of Georgia will honor any credit earned at any other Georgia public college when a grade of "C" or higher is earned.
- Colleges granting transfer credit will require a transcript from the DE college (student requests this via DE college registrar's office).
- If the DE college requires the student to pick a "major", best to select "general studies".
- Private colleges and out of state colleges vary on their acceptance of Dual Enrollment credit.

# HOW DOES GRADING WORK?

- ✓ If colleges provide the high school with letter grades, the high school will transcribe the letter grade to the midpoint of the grading scale (unless grading scale is provided).  
A = 95 B = 85 C = 75  
D = 70 F = 55
- ✓ Students are no longer eligible for DE funding after (2) course withdraws.
- ✓ If the student fails a class, it could jeopardize graduation and future Dual Enrollment status!
- ✓ No points are added to the final grade (exception – 10 pts. are added to Georgia Tech Math, Science, Computer Science).
- ✓ All Dual Enrollment funded classes are included on the high school transcript.

## “Z” GRADES

- Any Dual Enrollment course for which GCPS receives funding will be included on the transcript.
- If the student withdraws from the course after GCPS has received funding, a “Z” score will be entered on the transcript.

**Students MUST inform Mrs. Tinsley immediately if there is any college schedule change.**

**\*\*If you do not inform Mrs. Tinsley of these changes, you cannot continue with Dual Enrollment the following semester.**

# DE COLLEGE END OF SEMESTER GRADES

- If the student wants the higher grade on their high school transcript, they need to request that their DE professor send documentation of the actual grade (if higher than it would be transcribed for GCPS (Ex: anything above a 75, 85, or 95); i.e., an email or something on letterhead, and send to the high school dual enrollment coordinator.
- We defer to the policy of the DE college on this. Some DE colleges will decline the student's request for this.

The screenshot shows the 'Dual Enrollment' page on the Gwinnett Technical College website. The page features a navigation bar with links for 'APPLY NOW', 'STUDENTS', 'FACULTY/STAFF', 'QUICK LINKS', and 'FOUNDATION'. Below the navigation bar, there are dropdown menus for 'About', 'Academics', 'Admissions & Financial Aid', 'Economic Development', 'Adult Education', and 'Student Services'. The main content area is titled 'Documents and Links' and contains a list of 16 links, each with a document icon and an external link symbol. The link 'Numerical Grade Online Request Form' is highlighted in yellow. To the right of the main content, there is a sidebar with a search bar and a list of links including 'I Want to Apply', 'I Want to Participate', 'I Want to Register', 'I Have Been Accepted', 'I Want to Be Successful', 'What Else Should I Know?', 'Documents and Links', 'Gwinnett Tech Terminology', 'Student Services', and 'Disability Services'. At the bottom right, there is a 'Contact the Office of Dual Enrollment' box with contact information for the Lawrenceville Campus and a 'Contact Us Online' button.

[Contact Us Online](#)

## HOPE GPA

- For HOPE GPA (high school) calculations, all language arts, math, science, social studies, & foreign language courses are used in the calculation.
- When students take additional courses in the core areas all will be used for HOPE calculations.  
  
--Georgia Student Finance Commission
- Students earn a .50 boost for DE courses on their HOPE transcript...but only for B's, C's, and D's (A's are ineligible for .50 boost since DE grades are on a 4.0 scale)

## CREDIT CONVERSION

▶ 1 - 2 semester hour college classes =  
.5 HS credit.

▶ 3 - 5 semester hour college classes =  
1.0 HS credit.

Note: Science labs will receive a grade, but  
NO credit on transcript. They will not count  
toward fourth science requirement.

All DE students have a 6-segment max per  
semester.

## 6 SEGMENTS

- 4 DE + 0 HS = 6 segments
- 3 DE + 3 HS = 6 segments
- 2 DE + 4 HS = 6 segments
- 1 DE + 5 HS = 6 segments
  
- Anything beyond the six segments will need to be self-pay.
  - Self-pay courses can be added to transcript (if on approved DE course list in GAFutures), but not in high school schedule.

**\*\*Note:** MSHS classes are NOT offered every period of the day.

## KEEP IN MIND...

- ✓ A student must meet the entrance requirements of the college.
- ✓ It is the student's responsibility to register for the correct classes.
- ✓ If a student registers for a Dual Enrollment course they previously failed, they will receive a bill from the college. Dual Enrollment will not pay for the course.
  - ✓ Students will also be required to self-pay if they have already met the 30-hour max.
- ✓ The student is responsible for ALL interaction with the college. The college will not speak with a parent or the high school counselor regarding the student.
- ✓ Students must have all schedule changes approved by Mrs. Tinsley.
- ✓ Holidays such as Spring Break will be different from the Gwinnett County holidays.
- ✓ Literature II EOC is required.

# POLICY ON WITHDRAWING FROM A DE COURSE

## **1604.7. Course Withdrawals and Retaking a Course.**

1. A student becomes ineligible to continue receiving Dual Enrollment program funding after his or her second (2nd) course withdrawal from an approved Dual Enrollment course(s), occurring Summer term 2020 or later, regardless of the total Paid Hours or Funding Cap calculation.
  - a. Lab component corequisite courses, when withdrawn in the same term as the lecture/classroom course, is considered as one course withdrawal.
2. A student is ineligible to receive Dual Enrollment funding to repeat or retake a Dual Enrollment course for which Dual Enrollment funding was received Summer term 2020 or later, regardless of the total Paid Hours or Funding Cap calculation, unless an Exception is granted in accordance with Section 1615.2.

## ECONOMICS REQUIREMENT

Be mindful of the Economics & Personal Finance graduation requirement.

The only DE ECONOMICS course that counts toward HS graduation is ECON 1101.

ECON 2100, etc. will only count as an elective starting 25-26.

### Quick Guide Student

#### Step 1:

Select the **Sign In** option at the top of the GAFutures homepage.

# TESTING DATES

SAT Test Date	Registration Deadline	ACT Test Date	Registration Deadline
March 19 <sup>th</sup> (School Day)	N/A	February 14 <sup>th</sup>	January 9 <sup>th</sup>
May 2 <sup>nd</sup> <small>**Check with DE college to see if they will accept this date.</small>	April 17 <sup>th</sup>	April 11 <sup>th</sup>	March 6 <sup>th</sup>

- DE Colleges may also accept PSAT or ACCUPLACER scores.
- DE Colleges may not require test scores with a certain GPA.

# MCCLURE HEALTH SCIENCE HS DEADLINE

**FRIDAY, FEBRUARY 27<sup>TH</sup>**

ALL FORMS SUBMITTED TO MRS.  
TINSLEY IN D-FLOOR OFFICE  
SUITE

\*\*College deadlines are later, but  
students must meet MSHS deadlines  
for DE participation.

**McCLURE**  
Health Science High School

# POLICIES AND PROCEDURES

THE FOLLOWING STEPS SHOULD BE FOLLOWED  
IF YOU ARE PLANNING TO PARTICIPATE IN THE  
DUAL ENROLLMENT PROGRAM:

- X 1. Attend Dual Enrollment Information Meeting/View Dual Enrollment Presentation.
  
- \_\_\_ 2. Complete eligibility meeting with your current school counselor to review remaining credits for HS graduation and discuss Dual Enrollment fit.
  
- \_\_\_ 3. Student and parent complete the GCPS Permission Forms & MSHS DE Contract. Return to Mrs. Tinsley in D-Floor Office by February 27<sup>th</sup>.
  
- \_\_\_ 4. Apply to the college/university of your choice. Keep in mind that different schools have different admissions procedures. NOTIFY MRS. TINSLEY WHEN YOU HAVE BEEN ACCEPTED
  
- \_\_\_ 5. Meet with Mrs. Tinsley to complete DE advisement worksheet (only after all documents have been received).
  
- \_\_\_ 6. Create a GaFutures.org account and complete an electronic Dual Enrollment Funding application. One time per academic year (opens February 26).

# PROCEDURES CONT.

- \_\_\_7. Speak with your college advisor / attend college orientation and select classes. Obtain a copy of your college schedule.
  
  - \_\_\_8. Student uploads a copy of DE college schedule so McClure schedule can be adjusted / funding approved (Google form on DE Google Classroom).
  
  - \_\_\_9. MHSHS completes the GA FUTURES funding application AFTER receiving the schedule from the student (exception: Georgia State University).
  
  - \_\_\_10. During this process, you may get emails from the Bursar's Office indicating that payment is due---be patient and do nothing!
  
  - \_\_\_11. College transcript must be turned into Mrs. Tinsley before end of semester. If DE college transcript is not ready until after GCPS semester ends, student needs to email screenshot of semester final course grades to [Jordyn.L.Tinsley@gcpsk12.org](mailto:Jordyn.L.Tinsley@gcpsk12.org)
- Note that this unofficial DE college grade is a "placeholder" grade, and transcribed as GCPS outlines on the previous slides. Ex: if grade is an "A" but technically a 97 in the course, it will be transcribed as a 95. If the grade the student submits is different from the grade on DE college final transcript, the student's semester grade/high school transcript will be amended.
- Dual Enrollment students are responsible for completing ALL high school graduation requirements to participate in the graduation ceremony.

# *What is Dual Enrollment?*

- For **Georgia** public, private, or homeschool students in the **10<sup>th</sup>, 11<sup>th</sup>, or 12<sup>th</sup>** grades
- Earn **high school & college credit** at the same time while taking college courses

# What's the Difference???

## High School

- In high school, parents or high school teachers might remind you of assignments, help you prioritize, or offer support if needed.
- In high school, you may not need to study frequently, and it's often possible to complete assignments at the last minute and still earn a good grade.
- In high school, early low test scores often have little impact—homework, classwork, and extra credit can boost your final grade.
- In high school, attendance is strictly monitored and usually mandatory. If a teacher is absent, a substitute typically steps in to ensure the class continues as scheduled.
- In high school, students schedules are created for them. Students are normally in school up to seven hours a day Monday - Friday.

VS.

## College

- In college, you're responsible for managing deadlines and reaching out to professors when needed—check-ins are rare.
- College courses often require 2–3 hours of study per day each—more time and effort than high school work.
- College exams are few, cover large amounts of material, and rarely shift for outside events. They carry significant weight in your final grade, with limited chances for extra credit.
- Attendance may not be required in every class, but missing it can hurt your grade and performance. If class is canceled, it usually just resumes at the next scheduled time.
- College schedules are flexible. You may have long breaks or days off, with class time varying per week.

**10th graders can only use funding for CTAE classes.\***

A minimum SAT score of 1200 or a minimum ACT composite score of 26 in a single national test administration for core classes.

**11th & 12th graders can use funding for core classes and/or CTAE classes.\***

**100% of tuition, regular fees and textbooks**

# Dual Enrollment Funding

**Does NOT count against HOPE funding.**

*No lawful presence or residency requirement*

**Up to 30 college credit hours of Dual Enrollment funding\***

\*Approved list under the course directory in GaFutures.org.

\* Some programs may have additional requirements for official approval.

## Dual Enrollment

## WHO QUALIFIES FOR DUAL ENROLLMENT AT GGC

- By the first day of semester at GGC:
- must be 16 years of age
- must be an 11th or 12th grade student
- Be on-track for completing all high school graduation requirements
- Be on-track for completing the USG's Required High School Curriculum (RHSC)
- Have a 3.25 High School GPA as calculated by GGC Admissions on the RHSC courses completed
- Meet all other dual enrollment admission requirements
- Meet GSFC's Dual Enrollment funding Program eligibility (details on GAfutures site: [gafutures.org](http://gafutures.org))

## TEST SCORES

GGC is test-optional for admission into the dual enrollment program. However, SAT/ACT or ACCUPLACER exams might be needed for placement purposes.

- Dual Enrollment students may only enroll in an English or mathematics course if they exempt placement in corequisite Learning Support.
- Meaning, it is possible to be accepted but not place into a math or English course.
- For course placement purposes, limit of two Next Generation ACCUPLACER exam attempts per academic year

## HOW AND WHEN DO I APPLY?

1. Create Grizzly Profile to Apply Online, Dual Enrollment Students are exempted from application fee- watch for a pop-up in your browser window; DE2026.
2. Review Admission Requirements
3. Submit Document Requirements
4. Meet with your high school counselor so they can begin the approval process on the high school side.
5. Once accepted, register for an orientation where you will be advised and register for your classes

**All application materials must be submitted by the dates below for each semester.**

- Spring Semester, priority – Nov. 1
- Summer semester, priority – April 1
- Fall Semester, priority – May 1

# DUAL ENROLLMENT INFORMATION SESSION

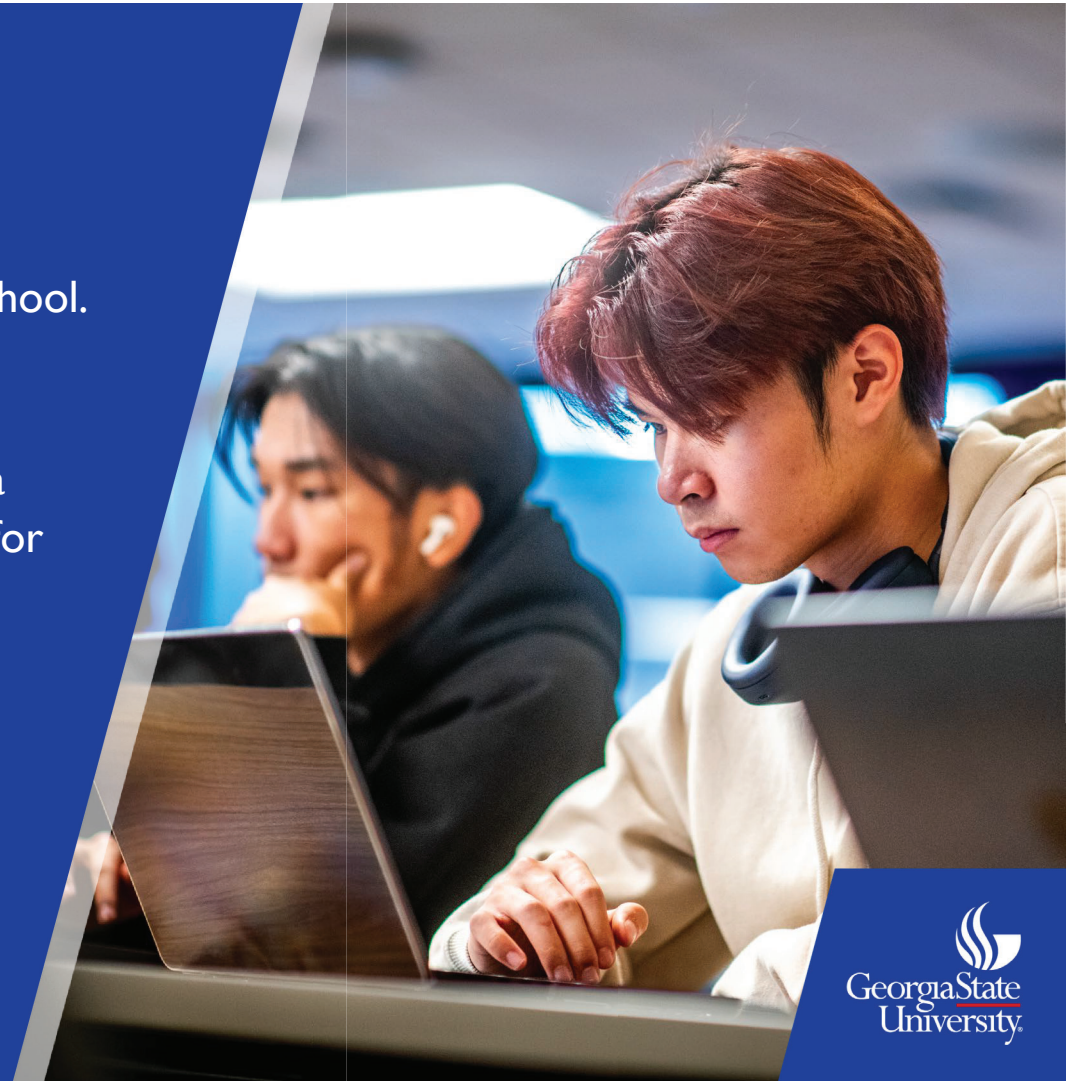

[admissions.gsu.edu](https://admissions.gsu.edu)

# Admission Requirements

## You must:

- Be on track to graduate from high school.
- Demonstrate college-level readiness.
- Have a minimum GPA of **3.4** (Atlanta Campus) & **3.2** (Perimeter College) for admission without test scores.\*

\*GSU IS TEST-OPTIONAL THROUGH SUMMER 2026.

# Admission Requirements

If you don't meet the 3.4 (ATL) & 3.2 (PC) GPA requirements, you must have a minimum GPA of 3.0 AND these minimum test scores:

	ATLANTA CAMPUS	PERIMETER COLLEGE
SAT	580 ERW/560 Math	530 ERW/530 Math
ACT	23 English/23 Math	20 English/21 Math
PSAT	580 Evidence-Based Reading and Writing, 560 Math (SAME as SAT)	530 Evidence-Based Reading and Writing, 530 Math (SAME AS SAT)
Accuplacer	N/A	(237 Reading, 4-8 Writeplacer, 258 QAS)

## Family Educational Rights & Privacy Act (FERPA)

- Once you're accepted into dual enrollment, your educational records are considered your private property (regardless of your age or who is paying your bills).
- You may sign a FERPA waiver to grant your high school counselor and/or parent/guardian access to your records.

More details at  
[studentprivacy.ed.gov](http://studentprivacy.ed.gov).

## Next Steps for PRE-ADMISSION

1. Get approval from your high school counselor.
2. Submit Dual Enrollment Application.
3. Submit Funding Application:
  - GAfutures
4. Submit final paperwork:
  - High school transcript(s)
  - Test scores (if required)

Scan for *Pre-Admission Next Steps*. .....

## Next Steps for POST-ADMISSION

1. Activate your CampusID.
2. Set up and monitor your GSU student email.
3. Complete Online New Student Orientation.
4. Check for your PAWS account for any registration holds.
5. Register for classes.

Scan for **Post-Admission Next Steps**. .....

- 5 Campus locations around metro Atlanta:
- Locations
- Alpharetta
  - Dunwoody
  - Clarkston
  - Decatur
  - Newton
- **Online or on campus ( 1000-2000 courses)**

# Dual Enrollment Classes

---

- In order to receive funding, the courses must be selected from state approved list on GA Futures:

## Course Directory

The [Dual Enrollment Course Directory](#) is a list of the approved courses at eligible participating postsecondary institutions for Dual Enrollment funding, beginning with the Summer term.

### Approved Course Categories

The approved eligible course categories include:

Core academic areas: English, math, science, social sciences and world (foreign) languages (the same categories used in the high school HOPE Scholarship calculation for academic eligibility).

- You can search GSU course schedules below:
  - This includes all GSU/Perimeter courses so some are not covered under Dual Enrollment

## Meet Your Peers

“Dual Enrollment has allowed me to take challenging classes, and although it was initially difficult, it helped me understand what college courses are like and how to manage an increased workload.”

— MADISON EVA BURKE

“It is great being an Early College student at GSU. I feel challenged & I'm able to learn on a level that helps me with my classes in high school. The fact that I can experience college life and have access to all that GSU has to offer as a junior in high school is great!”

— ARY MAYMI-BOOKER

“I loved doing dual enrollment. It allowed me to take classes in subjects I'm interested in and better prepared me for college.”

— ELLA BUSCEMA
