WELCOME TO JUNIOR CAMP SHOREWOOD!

New for this summer, Junior Camp Shorewood is designed specifically for our youngest campers, ages 4–5. Located in the ECC building at Atwater Elementary, this age-specific camp allows children to learn, play, and explore in spaces that are developmentally appropriate, creating a comfortable and engaging experience for early learners.

Each day balances predictable routines with playful discovery through arts and crafts, music and movement, outdoor play, simple science and cooking activities, story time, and cooperative games. Weekly themes add excitement while supporting creativity, curiosity, and early social development. For our Junior Campers, field trips focus on nearby, familiar destinations such as the Shorewood Public Library, Atwater Beach, the Shorewood High School Bowling Alley, along with a inviting a few special guests for some on-site field trips as well.

Our caring, well-trained staff focus on building strong relationships and helping campers grow in confidence, independence, and friendships in a safe, nurturing environment. Junior Camp Shorewood offers families a trusted childcare option and gives young campers a joyful introduction to summer camp.
