

Pre-K Registration 2026-2027

Pre-K Online Registration is Open!

Dear Parents,

We are excited to announce that online registration for Pre-K is now open! If your child will be 4 years old by September 30, 2026, you can now complete the registration process online.

Please be sure to upload all required documents during registration. After the online registration period closes, the school will contact you by phone or letter to inform you of your scheduled day to come to school and complete the onsite registration process. This will take place sometime in March.

Additionally, if you have a child who will be starting school for the first time in Kindergarten, they will also need to register online. However, current Pre-K students enrolled at BES will not need to re-register. They will automatically be placed in a Kindergarten classroom.

Sincerely,

Dr. Jessica Alwell

Principal
