Good evening, my name is Ivani Torres, and I am one of PSBA's Senior Training and Outreach Managers. I'm pleased to be here on behalf of PSBA, our governing board, staff and the entire association to celebrate Bloomsburg Area School District as a Great Pennsylvania School!

This honor recognizes schools that demonstrate a commitment to academic rigor, community, resilience and financial health. We applaud you for your dedication in all areas. Your students are both successful and challenged by the district's curriculum, which drives student engagement. Innovative school programming, plus honors and awards celebrating student success, foster a sense of belonging and connection to the school community. And robust extracurricular activities help your students develop as well-rounded individuals.

Your district demonstrates the importance of caring for students holistically through emergency preparedness and mental health support. While offering these many benefits for students, you remain grounded in financial health through budget development, financial audits and compliance in bid requirements.

This achievement is an opportunity for Bloomsburg Area School District to promote public education excellence in your community. Please, take the time to celebrate your Great Pennsylvania School designation.

Congratulations, and thank you for allowing me to be part of such an important milestone at your school district!
