# Shaping Tomorrow, Together Committee is a Family Advisory Group

---

This group will offer perspective and feedback as we design transition activities, family events, and additional supports to help students and families navigate any changes successfully.

**The committee will consist of:**

- Two actively involved PTO/PTA representatives from each elementary building
  - Three parents will be selected from Lincoln
  - Community Partners

*First Meeting: March 25*

# Frequently Asked Questions

---

**We remain committed to keeping families informed and engaged as we move forward.** Additional updates will be shared as milestones are reached and planning continues.

We will be collecting questions to inform the Frequently Asked Questions on our website through a form on [Our Elementary Plan](#) webpage.
